information sufficient to the purpose I have in view which is to induce those who have hitherto deprived themselves of a stimulating pleasure to deprive themselves of it no longer Further my aim is in no sense controversial In a book whose sole purpose is to serve as an introduction to the study of a single one of our contemporary poets I have consciously and carefully refrained from instituting comparisons which I deprecate as to say the least unnecessary between the poet in question and any of the other eminent poets in whose time we have the honour of living About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
