## DIFFERENCE BETWEEN MYSTICISM AND OCCULTISM

**Common-Good Ethics:** the needs of the community override the needs of the few, or the one

**Common-Good Morality:** the institution decides right and wrong

**Institutional Autonomy:** religion exists trans-generationally and independently of personal control

**Institutional Hegemony:** exists externally to and coercive of the individual; responds to historical changes, not personal decisions

**Individual Ethics:** beliefs and values serve the personal needs of the individual

**Individual Morality:** the individual decides right and wrong

**Personal Autonomy:** spirituality exists within and for each individual

**Personal Hegemony:** personal freedom of choice; responds to personal feelings and choices

## THE ELEVEN SATANIC RULES OF THE EARTH

1. Do not give opinions or advice unless you are asked.
2. Do not tell your troubles to others unless you are sure they want to bear them.
3. When it another's lair, show him respect or else do not go there.
4. If a guest in your lair annoys you, treat him cruelly and without mercy.
5. Do not make sexual advances unless you are given the mating signal.
6. Do not take that which does not belong to you unless it is a burden to the other person and he cries out to be relieved.
7. Acknowledge the power of magic if you have employed it successfully to obtain your desires. If you dew the power of magic after having called upon it with success, you will lose all you have obtained.
8. Do not complain about anything to which you need not subject yourself.
9. Do not harm little children.
10. Do not kill non-human animals unless you are attacked or for your food.
11. When walking in open territory, bother no one. If someone bothers you, ask him to stop. If he does not stop, destroy him.
