An Orderly Life:

Mission: Organization - A Simple Guide To Keeping An Orderly Life Noah Daniels, 2013-12-27 I've got to get my house office and personal life organized When did you last speak these words Was it when you recognized that you're literally drowning under gobs of paper Perhaps it was when you got a look of the enormous laundry pile that you can never seem to catch up on Maybe it was when you looked at all of the jumble in your kitchen basement bedroom garage den front room and everywhere else You might have even pondered tossing everything out the window Was it when you urgently searched for those missing tickets It may have been when you missed that crucial appointment Or when that deadline sneaked up on you Perhaps it was when you recognized that you had enough To Do's on your list to last you a lifespan Was it when you urgently searched for that missing customer folder Or even worse it might have occurred when you determined you had no time left for yourself your kinsperson your acquaintances that needed holiday and basically everything in life that you love to do You're not alone Those words have been expressed again and again by thousands of individuals all over the world Disorganization may actually trap you into living a life filled with tension frustration and bedlam It may rob you of the precious time you ought to be spending enjoying your life By defeating disorganization you may be set free to live the sort of life you've always dreamed of You deserve to be organized
