

A woman with dark hair, wearing a light-colored blazer and pants, is sitting on a rocky ledge. She is looking down at a tablet computer she is holding in her hands. The background is a panoramic view of a city, likely Rio de Janeiro, with a large hillside covered in buildings and a mountain range in the distance. The scene is brightly lit, suggesting daytime.

An Unknown God:

The Unknown God, a Sermon [on Acts Xvii. 23]. Thomas SPENCER (Perpetual Curate of Hinton Charterhouse.), 1851

The Unknown God Steven Carter, 2020-10-13 There is a very interesting account found in Acts 17 22 23 in which the Apostle Paul was waiting for Silas and Timothy in Athens While he waited he was provoked within his spirit when he found the city was given over to idols Paul addressed the men of Athens by saying In all things you are very religious for as I was passing through and considering the objects of your worship I even found an altar with this inscription TO THE UNKNOWN GOD Therefore the One whom you worship without knowing Him I proclaim to you It is startling to know that the men of Athens were religious they had objects of worship and they had an altar yet they didn't even know the God of their worship We know altars to be a place of sacrifice prayer and religion but the question arises How do you worship whom you don't even know Even Jesus gives us a glimpse into the importance of knowing Him intimately in Matthew 7 22 23 Many will say to Me in that day Lord Lord have we not prophesied in Your name cast out demons in Your name and done many wonders in Your name And then I will declare to them I never knew my emphasis you depart from Me you who practice lawlessness NKJV Note that Jesus's emphasis was not on rituals but rather on relationship We must ask ourselves today are we any different from the men of Athens I'm afraid that week after week we fill edifices with people who don't even know God Sure we have objects of worship We have buildings instruments podiums microphones lighting etc but do we know the God of our worship With the help of the Holy Spirit I will declare as the great apostle did to the men of Athens The Unknown God

Hymns to an Unknown God Sam Keen, 1995-09 Keen cuts through the conceits self-deceptions and crises of faith to get to the core of what it takes to live a life that matters every day He redefines a meaningful personal spirituality that shows how each of us can create a sense of the sacred in all aspects of our lives This is an inspirational guide for people who refuse to abandon common sense in their search for spirituality *The Unknown God* Jon Walker, 2015-09-11 There's a danger in following a God we don't even know we become vulnerable to the idea that we must constantly try harder to please God This book exposes the myths that keep us feeling like God is always judging and condemning us If you've ever felt that it's impossible to please God this book is for you Too many of us are following a mythical god who we think is always mad and always looking to catch us doing something wrong or even worse condemning us when we fail to do the right thing The sad thing is we teach this repeatedly in the church and believe this again and again in our Christian walk because we follow an Unknown God This teaching locks us in a behavior-based Christianity that demands we keep trying harder But God never meant for us to become slaves to condemnation Instead of trying harder he wants us to trust more Get to know God and understand that all of his commandments are meant to help us live in fellowship with Jesus [The Unknown God. \[A Tract On\] Acts Xvii](#), 1844 **God's Quest** Lyman C.D. God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God s relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God s incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God s sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life s turmoil and that the best is yet to be

The Characterization of God in Acts Ling Cheng,2015-02-12 Based on the plot oriented nature of the Acts narrative a key thought behind this book is how God is revealed in the deployment of characters and events God s supreme saving will and mission plan determine the development of human history as well as the narrative God s sovereign authority and power governs the movement of characters and the development of events and thus assures the fulfilment of his salvific plan From the carrying out of the divine redemptive plan emerges a God who is invisible yet perceivable dominant yet cogent and continuous yet changing

Many Nations under Many Gods Todd Allin Morman,2018-11-22 The lands the United States claims sovereignty over by right of the Doctrine of Discovery are home to more than five hundred Indian nations each with its own distinct culture religion language and history Yet these Indians and federal Indian law rarely factor into the decisions of the country s governing class as recent battles over national monuments on tribal sites have made painfully clear A much needed intervention *Many Nations under Many Gods* brings to light the invisible histories of several Indian nations as well as their struggles to protect the integrity of sacred and cultural sites located on federal public lands Todd Allin Morman focuses on the history of Indian peoples engaging in consultation a process mandated by the National Environmental Policy Act and the Indian Religious Freedom Act whenever a federal agency s proposed action will affect land of significance to indigenous peoples To understand this process and its various outcomes first requires familiarity with the history and culture that make these sites significant to particular Indian nations Morman provides this necessary context for various and changing indigenous perspectives in the legal process He also examines consultation itself in a series of case studies including Hopi efforts to preserve the sacred San Francisco Peaks in the Coconino National Forest from further encroachment by a ski resort the Washoes effort near Lake Tahoe to protect Cave Rock from an influx of rock climbers the Forest Service s plan for the Blackfeet site Badger Two Medicine and religious freedom cases involving the Makahs the Quechans the Western Apaches and the Standing Rock Sioux These cases illuminate the strengths and dangers inherent in the consultation process They also illustrate the need for Natives and non Natives alike to learn the history of North America in order understand the

value of protecting the many cultural and sacred sites of its many indigenous peoples Many Nations under Many Gods reveals and works to meet the urgency of this undertaking

Paul, the Apostle of Jesus Christ Ferdinand Christian Baur,2021-05-28 Baur s Paul the Apostle of Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul It lays the basis for modern Pauline scholarship The first part The Life and Activity of the Apostle Paul consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles While the author of Acts passed on historical traditions about Paul he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul The second part The Epistles of the Apostle Paul is divided into three main sections the authentic epistles of Paul Galatians 1 and 2 Corinthians Romans the deutero Pauline epistles Ephesians Colossians Philippians Thessalonians Philemon and the Pastoral Epistles 1 and 2 Timothy Titus In the first two parts Baur s historical critical skills are at their finest The third part The Apostle s Theological Framework draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident The earlier English translation is no longer adequate Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul truly becomes available in English for the first time
