*Revising Business Prose* Richard A. Lanham,1981 As its title implies this book deals with revising not with original composition In business writing where a first draft often emerges quickly under the pressures of facts figures and deadlines

revision is typically the major part of a writing task and collaborative revision often produces the final document Revising Business Prose provides detailed revision guidance and a collaborative approach to writing easily applied to writing in business industry government and academics Based on the premise that bad writing in organizations imitates the bureaucratic style The Official Style as it is called here this book shows readers how to transform stilted dense prose into plain English For anyone interested in the revision process in every business writing context STYLE IN ENGLISH JOHN NIST,1969 *CliffsNotes AP English Literature and Composition, 3rd Edition* Allan Casson,2010-10-07 A new edition of the trusted bestseller **Catalog** Northwestern University (Evanston, Ill.),1892 *English and American Studies* Martin Middeke,2016-08-17 Das ganze Studium der Anglistik und Amerikanistik in einem Band Ob englische und amerikanische Literatur Sprachwissenschaft Literatur und Kulturtheorie Fachdidaktik oder die Analyse von Filmen und kulturellen Phänomenen führende Fachvertreter geben in englischer Sprache einen ausführlichen Überblick über alle relevanten Teildisziplinen BA und MA Studierende finden hier die wichtigsten Grundlagen und Wissensgebiete auf einen Blick Durch die übersichtliche Darstellung und das Sachregister optimal für das systematische Lernen und zum Nachschlagen geeignet Literature & Composition Renee Shea,Robin Aufses,Lawrence Scanlon,Katherine Cordes,Carlos Escobar,Carol Jago,2022-03-09 Since its first edition Literature Composition was designed specifically for the AP English Literature course Its unique structure of skill building opening chapters combined with an engaging thematic anthology provides the flexibility you need to plan your year and differentiate based on your students needs In this edition the book you know and love now fully aligns to the new AP Course and Exam Description **The Longman Guide to Revising Prose** Richard A. Lanham,2006 True to its title Revising Prose is about revising not about original composition It will not teach you how to pray for inspiration marshal your thoughts or find the willpower to glue backside to chair All writers face these dragons in their own idiosyncratic ways But revision belongs to the public domain Anyone can learn it Revising Prose teaches you how using a simple rule based eight step process called The Paramedic Method that concentrates on turning the bureaucratic official style so common today in business and government writing into plain English Its focus on the individual sentence enables you to identify the surplus verbiage what Lanham calls the Lard Factor in an effort like this The history of new regulatory provisions is that there is generally an immediate resistance to them And turn it into this People usually resist new regulations A Lard Factor of 69% Lanham's method aims to eliminate 50% from most writing to create a sentence half as long and twice as strong A saving of 50% in writing time in reading time in paper and screen space in human patience and understanding it all adds up to real money It also adds up to a more persuasive and amiable presentation of self as Revising Prose argues in its final chapter The Editor ,1900 Style ,1989 *The Smith College Monthly* ,1912
