An Interrupted Life:

Interrupted Life Etty Hillesum, 1983 **Etty Hillesum** Etty Hillesum, 1996-11-15 For the first time Etty Hillesum's diary and letters appear together to give us the fullest possible portrait of this extraordinary woman in the midst of World War II. In the darkest years of Nazi occupation and genocide, Etty Hillesum remained a celebrant of life whose lucid intelligence, sympathy, and almost impossible gallantry were themselves a form of inner resistance. The adult counterpart to Anne Frank, Hillesum testifies to the possibility of awareness and compassion in the face of the most devastating challenge to one's humanity. She died at Auschwitz in 1943 at the age of twenty-nine.

Etty Hillesum Etty Hillesum, 1996 For the first time Etty Hillesum's diary and letters appear together to give us the fullest possible portrait of this extraordinary woman in the midst of World War II. In the darkest years of Nazi occupation and genocide, Etty Hillesum remained a celebrant of life whose lucid intelligence, sympathy, and almost impossible gallantry were themselves a form of inner resistance. An Interrupted Life Etty Hillesum, 1983 **An Interrupted Life** Etty Hillesum, 1985 *An Interrupted Life* Etty Hillesum, 1999-06-01 A collection of the diaries and letters of Etty Hillesum, 1914-43, who lived in Amsterdam during the Holocaust. The collection is composed of the diaries and letters of Etty Hillesum, 1914-43, who lived in Amsterdam during the Holocaust. Their interest lies in the light-filled mind that pervades them and in the internal journey they chart.

An Interrupted Life Etty Hillesum, 1985-05-01 *The Givenness of Desire* Randall S. Rosenberg, 2017-01-01 This book examines the human desire for God through the lens of Bernard Lonergan's concrete subjectivity. With Lonergan as an integrating thread, the author engages a variety of thinkers including Hans Urs von Balthasar, Jean-Luc Marion, René Girard, Lawrence Feingold, John Milbank, John Paul II, Benedict XVI, Pope Francis, among others. *The Givenness of Desire* investigates our paradoxical desire for God that is rooted in both the natural and supernatural.

The Blue Sapphire of the Mind Douglas E. Christie, 2012-12-04 There are no unsacred places, the poet Wendell Berry has written. There are only sacred places and desecrated places. What might it mean to behold the world with such depth and feeling that it is no longer possible to imagine it as something separate from ourselves or to live without regard for its well-being? To understand the work of seeing things as an utterly involving moral and spiritual act. Such questions have long occupied the center of contemplative spiritual traditions. In *The Blue Sapphire of the Mind*, Douglas E. Christie proposes a distinctively contemplative approach to ecological thought and practice that can help restore our sense of the earth as a sacred place. Drawing on the insights of the early Christian monastics as well as the ecological writings of Henry David Thoreau, Aldo Leopold, Annie Dillard, and many others, Christie argues that at the most basic level it is the quality of our attention to the natural world that must change if we are to learn how to live in a sustainable relationship with other living organisms and with one another. He notes that in this uniquely challenging historical moment there is a deep and pervasive hunger for a less fragmented and more integrated way of

apprehending and inhabiting the living world and for a way of responding to the ecological crisis that expresses our deepest moral and spiritual values Christie explores how the wisdom of ancient and modern contemplative traditions can inspire both an honest reckoning with the destructive patterns of thought and behavior that have contributed so much to our current crisis and a greater sense of care and responsibility for all living beings These traditions can help us cultivate the simple spacious awareness of the enduring beauty and wholeness of the natural world that will be necessary if we are to live with greater purpose and meaning and with less harm to our planet

Spirituality in the Writings of Etty Hillesum

Klaas Smelik, Ria van den Brandt, Meins G. S. Coetsier, 2010-10-25 Much of the previous scholarship on Etty Hillesum 1914-1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines

The Existential Philosophy of Etty Hillesum

Meins G. S. Coetsier, 2014-01-09 In *The Existential Philosophy of Etty Hillesum* Meins G. S. Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

Circles of Thorns Justin Lewis-Anthony, 2008-11-13 Unlike Bosch's better known fantastical proto-surrealist paintings *Christ Mocked* is small still and sombre and yet with a little effort of knowledge and interpretation it reveals a depth of understanding of both the Passion and of human nature that speaks as much to the twenty-first century as it did to the sixteenth By exploring the political scientific psychological and devotional world of early modern Europe and applying those insights to our own time the author shows how Bosch used his sophisticated artistic skills to convey a similarly sophisticated understanding of humanity In *Christ Mocked* a painting 500 years old but passionately modern Christ's Passion is so

portrayed as to make us reassess the cosmic significance of Christ's death and its profound implications for what we think it means to be human

The Uses of Darkness Laurie Brands Gagné, 2000-08-31 Laurie Brands Gagné believes the image of God as stern Father or Judge has done much damage over the centuries and has engendered a sense of shame and guilt especially in women She sees our own civilization as one that is cut off from the natural world and from the precious part of ourselves that is earthy and sensual In *The Uses of Darkness Women's Underworld Journeys Ancient and Modern* Gagné explores women's journeys through the underworld to reclaim the wisdom and sensuality contained in these stories for heirs of the God the Father tradition She looks at the ancient stories of Inanna Demeter and Psyche and the reflections of these archetypal figures in the work of women such as Sylvia Plath Joan Didion Mary Gordon Virginia Woolf and Etty Hillesum to illustrate that the alternative tradition these journey stories represent has much to offer modern Christians Gagné successfully demonstrates that only by turning to confront the mystery that has been obscured by the image of God as stern Father or Judge can a woman raised in the Christian tradition acquire a sense of self strong enough to integrate experiences of profound loss Most importantly by drawing on the wisdom of the goddess tradition both men and women are able to effect a more meaningful reappropriation of Christianity Gagné's examination of the dark experience of the underworld in the goddess tradition discovers the elements of all spiritual journeys self transcendence followed by self transformation Anyone who has struggled with love and loss and whose spirit has been suppressed by the image of God as Judge yet who will not reject Christianity will benefit from this work
