An Introduction To Netsuke:

Introduction to Netsuke Raymond Bushell, 2011-12-20 With dozens of photos and illustrations A Introduction to Netsuke is a readable and thorough guide to Japanese miniature art Among the many Japanese fine arts few have aroused greater admiration than the netsuke This miniature piece of Japanese sculpture approximately 1 1 2 inches in size was designed in the absence of pockets on kimonos as an aid in suspending articles such as tobacco pouches from the sash of a kimono It developed in ancient times as a utilitarian object but became in the 16th century an artistic one as well and flourished as such until 1926 No longer commonly worn the netsuke is now a collectors item avidly sought throughout the world by those sensitive to its fine qualities This book opens the miniature world of netsuke to those who have hitherto been unaware of its existence In a delightfully lucid manner the basics of the netsuke are presented definition origin development materials statistics and photographs This book admirably fulfills its task of introducing the netsuke to the layman irresistibly drawing him to new pleasures in aestheticism and culture *An Introduction to Netsuke* Joe Earle, 1982 [An Introduction to Netsuke; NK6050](#) J.
