*Analogous Proverbs in Ten Languages* Mrs. E. B. Mawr,1885      *Analogous Proverbs* Mrs. E. B. Mawr,2015-07-20  
Excerpt from *Analogous Proverbs In Ten Languages* My small and very imperfect collection of Analogous Proverbs in four languages issued in 1882 in which I sought to bring together under one heading the same expression of thought in different countries the veritable Folk Lore of the Peoples met with so cordial a welcome that I have ventured to extend and further develop my original work In no instance have I given a mere translation On the other hand in some few instances a proverb will be met with bearing a directly contrary sense to that expressed in English Roumania is particularly rich in folk lore and I owe my hearty thanks to those members of the Academy of Bucharest who have so kindly helped me in my task more especially are my acknowledgments due to a well known Philologist and Lexicographer for his valuable assistance I have thought it desirable to issue some interleaved copies of this book for the benefit of students and folk lore collectors In terminating this my labour of love I venture to say in the words of our great poet Chaucer Go little book God send thee good passage And specially let this be thy prayere Unto them all that thee will read or hear Where thou art wrong after their help to call Thee to correct in any part or all About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      [ANALOGOUS PROVERBS IN 10 LANGU](#) E.
