Atlas The Heart:

Atlas of the Heart Brené Brown, 2021-11-30 1 NEW YORK TIMES BESTSELLER In *Atlas of the Heart* Brené Brown writes "If we want to find the way back to ourselves and one another we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." Don't miss the five-part Max docuseries *Brené Brown Atlas of the Heart*. In *Atlas of the Heart* Brené takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brené's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research as well as on Brené's singular skills as a storyteller to show us how accurately naming an experience doesn't give the experience more power; it gives us the power of understanding, meaning, and choice. Brené shares, "I want this book to be an atlas for all of us because I believe that with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves." [Atlas of Heart Disease](#) J. H. Holzner, Peter Mathes, 1983
