Attic Theatre:

The Attic Theatre Arthur Elam Haigh, 1889 *Records Attic Theatre* (Appleton, Wis.), 1950 Records of a summer community theater founded in 1950 by Zoe Cloak Includes administrative records such as minutes of the Board of Governors copies of the by laws and correspondence production materials such as rehearsal schedules scrapbooks programs and photographs and financial records

Theatre and Metatheatre Elodie Paillard, Silvia Sueli Milanezi, 2021-11-22 The aim of this book is to explore the definitions of theatre and metatheatre that scholars use when studying the ancient Greek world Although in modern languages their meaning is mostly straightforward both concepts become problematical when applied to ancient reality In fact theatre as well as metatheatre are used in many different sometimes even contradictory ways by modern scholars Through a series of papers examining questions related to ancient Greek theatre and dramatic performances of various genres the use of those two terms is problematized and put into question Must ancient Greek theatre be reduced to what was performed in proper theatre buildings And is everything was performed within such buildings to be considered as theatre How does the definition of what is considered as theatre evolve from one period to the other As for metatheatre the discussion revolves around the interaction between reality and fiction in dramatic pieces of all genres The various definitions of metatheatre are also explored and explicated by the papers gathered in this volume as well as the question of the distinction between paratheatre understood as paratragedy comedy and metatheatre Readers will be encouraged by the diversity of approaches presented in this book to re think their own understanding and use of theatre and metatheatre when examining ancient Greek reality
