Attitude! Liz Diprose, Peter Cochrane, 1996-01 *Attitude An Anthology* is an anthology with a difference A carefully selected collection of material about and by teenagers is presented thematically so that the issues and challenges facing them become the focus for textual study A wide range of Australian texts is supported and extended by activities that involve students in writing speaking listening reading and viewing *Attitude An Anthology* is an accessible meaningful and provocative resource for students from Year 10 upwards

Godly Attitude, Worldly Latitude Robert A. Day Sr., 2015-10-02 *THE WISDOM OF GOD S ATTITUDE CONFOUNDS THE WISDOM OF HUMANKINDS ATTITUDE* How can we describe an abstract term like the word attitude and prescribe it in such a concrete way The Word of God is the avenue to achieve this objective The author explains how attitude is more than just positive or negative but rather situational instead Various attitude principles are discussed with stories of the bible in reference to each type of attitude being addressed In *Godly Attitude Worldly Latitude* R A Day Sr expounds upon earthly definitions of attitude with heavenly inspirations that show how Christians should be imitators of their Lord and Savior This book is a far different read than the standard social psychological or business model interpretations of what an attitude should be in life It cries out the mantra of not looking upon our own things but upon the things of others and letting this mind or attitude be in us which is in Christ Jesus A broadened horizon of the attitudes of longitude latitude altitude and many more attitudes will be achieved victoriously through the living out of these newfound principles This is made possible through all the interpersonal relationship challenges and storms that life tends to throw our way

In Harm's Way Catharine A. MacKinnon, Andrea Dworkin, 1997 This book contains the oral testimony of victims of pornography spoken on the record for the first time in history Speaking at hearings on a groundbreaking antipornography civil rights law women offer eloquent witness to the devastation pornography has caused in their lives Supported by social science experts and authorities on rape battery and prostitution discounted and opposed by free speech advocates and absolutists their riveting testimony articulates the centrality of pornography to sexual abuse and inequity today At issue in these hearings is a law conceived and drafted by Andrea Dworkin and Catharine A MacKinnon that defines harm done through pornography as a legal injury of sex discrimination warranting civil redress From the first set of hearings in Minneapolis in 1983 through those before the Massachusetts state legislature in 1992 the witnesses heard here expose the commonplace reality of denigration and sexual subordination due to pornography and refute the widespread notion that pornography is harmless expression that must be protected by the state Introduced with powerful

essays by MacKinnon and Dworkin these hearings unabridged and with each word scrupulously verified constitute a unique record of a conflict over the meaning of democracy itself a major civil rights struggle for our time and a fundamental crisis in United States constitutional law Can we sacrifice the lives of women and children to a pornographer s right to free speech Can we allow the First Amendment to shield sexual exploitation and predatory sexual violence These pages contain all the arguments for protecting pornography and dramatically document its human cost

Woodruff,1993 Learning how to revise may well be the most excruciating part of writing frequently it is what makes or breaks new writers Now in this unique and highly useful book Jay Woodruff gives some of America s finest contemporary writers an opportunity to talk with passion and professionalism about revision about the hard work of their writing Books on writing generally offer prescriptions and proscriptions about this craft so hard to learn instead of evidence But in A Piece of Work Woodruff s incisive questions guide five writers Tobias Wolff Tess Gallagher Robert Coles Joyce Carol Oates and Donald Hall through specific examples that enable the reader to see how good writing becomes better From the first draft through various revisions and finally to the printed version of a single piece of each author s work Woodruff traces the full course of the revision process While we might prefer to picture all authors as Coleridge with the perfectly formed lines and stanzas of Kubla Khan emerging from a dream the truth of the matter is that the development of a final text is often as much a hard won discovery as it is an initial inspiration A Piece of Work offers a road map to that discovery
