

Functions of Attitude

Function of Attitudes	Description	Example
Knowledge	Attitudes provide a framework for understanding the world, making it more predictable and manageable.	An individual's attitude towards healthy eating helps them organize and guide their dietary choices.
Value-Expressive	Attitudes serve as a way for individuals to express their core values and identity.	An individual who values environmental sustainability expresses a positive attitude toward recycling.
Adaptive	Attitudes can help an individual fit in and be accepted by a social group.	A person develops a positive attitude towards a political viewpoint because it aligns with the views of their friends and family.
Ego-Defensive	Attitudes act as defense mechanisms, protecting the individual's self-esteem or justifying actions that might be socially unacceptable.	An individual's insecure about their intellectual abilities develops a negative attitude towards academic institutions, viewing them as elitist.
