

Auden A Biography

Daniel Aaron

Auden A Biography:

W. H. Auden Humphrey Carpenter, 2011-10-20 W H Auden disapproved of literary biography Or did he The truth is far more equivocal than at first seems apparent There is no denying he delivered himself of such unambiguous pronouncements as Biographies of writers are always superfluous and usually in bad taste and that he asked for his friends to burn his letters at his death but against that Auden himself often reviewed literary biographies and normally with enthusiasm Moreover he argued for biographies of writers such as Dryden Trollope Wagner and Gerard Manley Hopkins as their lives would tell us something about their art Humphrey Carpenter himself nicely summarizes Auden s ambiguity on this question Here referring to literary biography as so often in his life Auden adopted a dogmatic attitude which did not reflect the full range of his opinions and which he sometimes flatly contradicted Although the biography was not authorized it did receive the cooperation of the Auden Estate which gave permission for letters and unpublished works to be quoted The result is a biography that was widely praised on first publication in 1981 and which continues to hold its own Now is the obvious time to reissue it with the character of Humphrey Carpenter playing an important role in Alan Bennett s *The Habit of Art* In his introduction Alan Bennett writes When I started writing the play I made much use of the biographies of both Auden and Britten written by Humphrey Carpenter and both are models of their kind Indeed I was consulting his books so much that eventually Carpenter found his way into the play Carpenter is a model biographer diligent unspeculative sympathetic and extremely good at finding out what happened when and with whom admirably detailed and researched study John Bayley *The Listener* an illuminating book full of information unobtrusively affectionate it describes with unpretentious elegance the curve of a great poet s life and work Frank Kermode *Guardian* sharpens and usually lights up even the most canvassed parts of the Auden life and myth a deeply interesting book about a deeply interesting life Roy Fuller *Sunday Times* the story of a remarkable man told by one of the best living biographers David Cecil *Book Choice* **W.H. Auden** Charles Osborne, 1980

Early Auden, Later Auden Edward Mendelson, 2017-04-25 Presented in one volume for the very first time and updated with new archival discoveries *Early Auden Later Auden* reintroduces Edward Mendelson s acclaimed two part biography of W H Auden 1907-73 one of the greatest literary figures of the twentieth century This book offers a detailed history and interpretation of Auden s oeuvre spanning the duration of his career from juvenilia to his final works in poetry as well as theatre film radio opera essays and lectures *Early Auden Later Auden* follows the evolution of the poet s thought offering a comparison of Auden s views at various junctures over a lifetime With penetrating insight Mendelson examines Auden s early ideas methods and personal transitions as reflected in poems manuscripts and private papers The book then links changes in Auden s intellectual emotional and religious experience with his shifting public role showing the depth of his personal struggles with self and with fame and the means by which these internal conflicts were reflected in his art in later years Featuring a new preface by the author *Early Auden Later Auden* is an engaging and timeless work that demonstrates Auden s

remarkable range and complexity paying homage to his enduring legacy *The Complete Works of W. H. Auden* Wylan Hugh Auden, 2002 V 1 This book contains all the essays and reviews that W H Auden wrote during the years when he was living in England and also includes the full original versions of his two illustrated travel books *Letters from Iceland* written in collaboration with Louis MacNeice and *Journey to a War* written in collaboration with Christopher Isherwood Auden's early prose ranges from extravagant indiscreet travel diaries through sharply observed critiques of writers from John Skelton to Winston Churchill It includes studies of communism and Christianity audaciously wide ranging essays on literature psychology and politics and writings about gossip sex prisons and schools V 2 W H Auden's first ten years in the United States were marked by rapid and extensive change in his life and thought He became an American citizen fell in love with Chester Kallman and began to reflect on American culture and to explore the ideas of Reinhold Niebuhr and other Protestant theologians This volume contains every piece of prose that Auden wrote during these years including essays and reviews he published under a pseudonym Most have never been reprinted in any form since their initial publication in such magazines and newspapers as the *Nation* the *New Republic* *Common Sense* *Vogue* and the *New York Times* V 3 This volume contains all of W H Auden's prose works from 1949 through 1955 including many little known essays that exemplify his range wit depth and wisdom The book includes the complete text of Auden's first separately published prose book *The Enchaf d Flood or The Romantic Iconography of the Sea* followed by more than one hundred separate essays reviews introductions and lectures as well as a questionnaire complete with his own answers about the reader's fantasy version of Eden Two reviews that Auden wrote for the *New Yorker* but which the magazine never printed appear here for the first time and a series of aphorisms previously published only in a French translation are printed in English Among the previously unpublished lectures is a long account of the composition of his poem *Prime* complete with his comments on early rejected drafts The variety of style and subject in this book is almost inexhaustible Auden writes about the imaginary mirrors that everyone carries through life French existentialism and *New Yorker* cartoons Freud Kierkegaard Dostoyevsky and Camus Keats Cervantes Melville Colette Byron Virgil Yeats Tolkien and Virginia Woolf opera ballet cinema prosody and music English and American poetry and society and politics and religion The introduction by Edward Mendelson places the essays in biographical and historical context and the extensive textual notes explain obscure contemporary references and provide an often amusing history of Auden's work as an editor of anthologies and a series of books by younger poets V 4 This fourth volume of W H Auden's prose provides a unique picture of this legendary writer's mind and art when he was at the height of his powers from 1956 through 1962 including the years when he was Professor of Poetry at Oxford The volume includes his best known and most important prose collection *The Dyer's Hand* as well as scores of essays reviews and lectures on subjects ranging from J R R Tolkien and Martin Luther to psychedelic drugs cooking and Homer Much of the material has never been collected in book form and some selections such as the witty orations Auden wrote for ceremonies at Oxford University are almost entirely unknown

Edward Mendelson's introduction and comprehensive notes provide biographical and historical explanations of all obscure references. The text includes extensive corrections and revisions that Auden marked in personal copies of his work and which are printed here for the first time.

V 5 This fifth volume of W H Auden's prose displays a great writer's mind in its full maturity of wisdom, learning, and emotional and moral intelligence. It contains his most personally revealing essays, the ones in which he wrote for the first time about the full history of his family life, his sexuality, and the development of his moral and religious beliefs. Among these works are the lightly disguised autobiographies that appear in long essays on the Protestant mystics and on Shakespeare's sonnets. The book also features the full text of his T S Eliot Memorial Lectures, *Secondary Worlds*, and many unpublished or unavailable lectures and speeches.

Edward Mendelson's introduction and comprehensive notes provide biographical and historical explanations of obscure references. The text includes corrections and revisions that Auden marked in personal copies of his work and that are published here for the first time.

V 6 This sixth and final volume of W H Auden's prose displays a great writer's mind in its full maturity of wisdom, learning, and emotional and moral intelligence. It contains the full text of the only book that he regarded as an autobiography, *A Certain World*, in which he portrayed himself by selecting and commenting on writings by others that most affected him throughout his life. It also features late essays and reviews that in many cases present lightly disguised autobiographies among them, the most detailed account of his sexuality in *Papa Was a Wise Old Sly Boots*. The appendixes gather lectures and public talks that are otherwise unpublished or unavailable.

Edward Mendelson's comprehensive notes provide biographical and historical explanations of obscure references. The text includes corrections and revisions that Auden marked in personal copies of his work and that are published here for the first time.

Amazon.com **The Poet Auden** A. L. Rowse, 2022-03-29 First published in 1987. *The Poet Auden* is a personal memoir by A L Rowse who knew Auden from the time he was an undergraduate at Oxford and kept some touch with him all his life until his final return to Oxford. From those early days he had no doubt of Auden's genius and from his own long periods in America he has been able to place the poet's life and work in the double, perhaps twin perspective of England and the United States. How far did this dichotomy enrich or disadvantage Auden's work? There are two opinions on this open, much-discussed question. Rowse makes a new contribution to the discussion. There are well-known difficulties in both Auden's life and writing. Rowse views these with sympathy and understanding close to the man and seeks to place his work in the perspective of the age in which Auden was a symptomatic and representative figure along with his idiomatic originality. This book will be of interest to scholars and researchers of English literature and poetry.

Auden Richard Davenport-Hines, 1999-06-15 A masterful biography of one of the greatest English poets and most compelling literary figures of the 20th century. Auden is the first to take the full measure of the poet's achievements, his insatiable thirst for experience, his navigation between the needs of discipline and the lure of his addictions and lusts of photos.

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini, people captivate people. A E's Biography, best-selling autobiographies.

and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

Later Auden Edward Mendelson,2000-05-22 The definitive study of Auden s poems from 1939 to 1973 For a poet like myself an autobiography is redundant W H Auden wrote to a friend since anything of importance that happens to one is immediately incorporated however obscurely in a poem This book is the history of Auden s poems and of the events that went into them from the time he moved to the United States until his death completing the story begun in Edward Mendelson s acclaimed *Early Auden* *Later Auden* links the changes in Auden s intellectual emotional religious and erotic life with his shifting public roles as representative of political causes as researcher working with the U S Army in postwar Germany as public moralist as lecturer and teacher and above all as poet Mendelson deftly reveals how Auden converted the success and later wreckage of his relationship with Chester Kallman into the seemingly impersonal meditations of some of his long poems and explores the ways his later poetry celebrates the human body and represents it in verse Throughout he reveals the depth of Auden s struggles with himself and with the temptations of his growing fame showing how these struggles gave shape to his imperishable art This inner biography of a great poet and thinker has unusual breadth and intensity An absorbing narrative of a varied productive life it will interest everyone who cares about literature *Studies in Biography* Daniel

Aaron,1978 **W.H. Auden** Stan Smith,1995-10 Available for the first time in the United States a new series of innovative critical studies introducing writers and their contexts to a wide range of readers Drawing upon the most recent thinking in English studies each book considers biographical material examines recent criticism includes a detailed bibliography and offers a concise but challenging reappraisal of a writer s major work Published in the U K by Northcote House in association with The British Council [St. James Guide to Biography](#) Paul E. Schellinger,1991 Supplies bibliographical and critical analysis of available biographies in English

A Study Guide for W. H. Auden's "September 1, 1939" Gale, Cengage Learning,2016 A Study Guide for W H Auden s September 1 1939 excerpted from Gale s acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs **Auden's History of Tong** Joyce Frost,2004-11 Fox Hunting How much for a fox s head Or for a sparrow Who

looked after bastards How much did it cost to run the Castle and Manor of Tong How did you get dogs out of church How did Tong get its school How come the people of Tong gave money to the city of Oxford Who looked after Tong s poor These and

many other questions are answered in this edition of Volume 2 of Notes on the history of Tong in the 17th 19th centuries by John Auden its Vicar from 1896 1913 Auden s Notes have been edited by Joyce Frost who lived in the new Vicarage at Tong from 1987 98

The Landscapes of W. H. Auden's Interwar Poetry Ladislav Vít, 2021-12-14 This is the first book length study foregrounding Auden s sense of place as a means for enhancing our grasp of this crucial twentieth century poet Proposing that Auden had a remarkable spatial sensibility this book concentrates on his treatment of his homeland England as well as the North Pennines and Iceland both of which served as his good places holy grounds and sources of topophilic sentiment The readings draw on the scholarship of humanistic geography tracing patterns of mental constructs which emerge from spatial experience In a scholarly but engaging way this book argues that focusing on Auden s poetics of place as it emerged and evolved can be instrumental to our understanding of this influential poet not only in relation to his epoch but also to the Anglophone poetic tradition Precisely because of his stature these elaborations on Auden s preoccupation with places escapism borders and local identity promise to enrich our understanding of the cultural and intellectual climate of the interwar period when established notions of local places and cultures were beginning to be contested by internationalisation This study will be of interest to both academics and students in the field of Anglophone literary studies while also appealing to those attracted to Auden s poetry interwar culture and the literary representation of space

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer s current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

W.H. Auden's "The Healing Fountain" Read through A. Aviram's Theory of

Poetic Rhythm Bouthaina Boughnim Laarif, 2018-04-18 Although Auden has often been hailed as the twentieth century's master of metre and most outstanding practitioner of traditional poetic forms his metrical art still remains a mystery as far as its real significance is concerned This book sheds new light on the enticing appeal of formal poetry which induced Auden into composing in almost every possible stanza form In order to work out a new appreciative assessment of Auden's formal art the book uses Amittai Aviram's theory of poetic rhythm which transcends the common literary critical process based on the rhetorical assessment of rhythm in poetry Aviram's theory clearly revolutionises our common methods of interpretation regarding rhythm rather than meaning as the starting point in reading poetry it is the poem's ideas and theme which express and strengthen rhythm not the other way round Such conception of rhythm as allegorized by meaning images and metaphors breathes new life into the outworn Russian formalist tradition Turning to Auden's poetry today may be said to be urged by both literary and political contexts in an age marked by uncertainties and an upsurge of violence poetry's voice regrettably reverberates less forcefully sinking into a state of formal loosening As such this book may be said to be prompted by a necessity to revive the interest in Auden's poetry especially given its recent neglect A reconsideration of Auden's conception of the nature of poetry and its status enables us to decrypt his verbal art assess its multiple effects and appreciate the metrical range that has helped the poet handle so subtly his twofold inquiry What is poetry What is its use *The Map of All My Youth* Wystan Hugh Auden, 1990 This is the first volume in a new series on the work of the poet W H Auden The volume contains a large amount of Unpublished material by Auden notably six poems written in German in the early 1930s translated here by the poet and scholar David Constantine as well as the complete version of the important early essay Writing with a new foreword by its original editor Naomi Mitchison There are substantial selections from Auden's letters to Stephen Spender and to E R Dodds and Mrs Dodds these are the first Auden letters to receive a scholarly presentation with full annotation Also in the volume are essays about Auden and his mentors and contemporaries by leading scholars in the field such as Valentine Cunningham John Fuller Julian Symons and Stan Smith as well as by outstanding newcomers For bibliophiles there is advice on collecting Auden's works and Edward Mendelson has contributed a Supplement to his comprehensive *W H Auden A Bibliography 1924-1969 1926-1938* Wystan Hugh Auden, 1996 *The Complete Works of W.H. Auden* Wystan H. Auden (scrittore e poeta.), 1988

This is likewise one of the factors by obtaining the soft documents of this **Auden A Biography** by online.
