## **Audubon Other Capers:**

**Audubon, and Other Capers** John Holmes Jenkins, 1976      **The Yard Sale Caper and Other Stories** Eleanore E. Smith, 2013-08-27 The Yard Sale Caper and Other Stories is a charming collection of stories featuring the adventures and exploits of an older couple Henry and Lola Both are retired schoolteachers who are also aspiring authors always in search of new material for the stories they write      The Last Bookseller Gary Goodman, 2021-12-07 A wry unvarnished chronicle of a career in the rare book trade now in paperback When Gary Goodman wandered into a run down used book shop that was going out of business in East St Paul in 1982 he had no idea the visit would change his life He walked in as a psychiatric counselor and walked out as the store s new owner In The Last Bookseller Goodman describes his sometimes desperate sometimes hilarious career as a used and rare book dealer in Minnesota the early struggles the travels to estate sales and book fairs the remarkable finds and the bibliophiles forgers book thieves and book hoarders he met along the way Here we meet the infamous St Paul Book Bandit Stephen Blumberg who stole 24 000 rare books worth more than fifty million dollars John Jenkins the Texas rare book dealer who probably was murdered while standing in the middle of the Colorado River and the eccentric Melvin McCosh who filled his dilapidated Lake Minnetonka mansion with half a million books In 1990 with a couple of partners Goodman opened St Croix Antiquarian Books in Stillwater one of the Twin Cities region s most venerable bookshops until it closed in 2017 This store became so successful and inspired so many other booksellers to move to town that Richard Booth founder of the book town movement in Hay on Wye in Wales declared Stillwater the First Book Town in North America The internet changed the book business forever and Goodman details how after 2000 the internet made stores like his obsolete In the 1990s the Twin Cities had nearly fifty secondhand bookshops today there are fewer than ten As both a memoir and a history of booksellers and book scouts criminals and collectors The Last Bookseller offers an ultimately poignant account of the used and rare book business during its final Golden Age      Bluffing Texas Style Michael Vinson, 2020-03-26 In 1989 a woman fishing in Texas on a quiet stretch of the Colorado River snagged a body Her catch was the corpse of Johnny Jenkins shot in the head His death was as dramatic as the rare book dealer s life which read as the Austin American Statesman declared like a bestseller In 1975 Jenkins had staged the largest rare book coup of the twentieth century the purchase for more than two million dollars of the legendary Eberstadt inventory of rare Americana a feat noted in the New York Times and the Wall Street Journal His undercover work for the FBI recovering rare books stolen by mafia figures had also earned him headlines coast to coast as had his exploits as Austin Squatty playing high stakes poker in Las Vegas But beneath such public triumphs lay darker secrets At the time of his death Jenkins was about to be indicted by the ATF for the arson of his rare books warehouse and offices Another investigation implicated Jenkins in forgeries of historical documents including the Texas Declaration of Independence Rumors of million dollar gambling debts at mob connected casinos circulated along with the rumblings of irate mafia figures he d fingered and eccentric Texas collectors he d cheated

Had he been murdered Or was his death a suicide staged to look like a murder How Jenkins a onetime president of the Antiquarian Booksellers Association of America came to such an unseemly end is one of the mysteries Michael Vinson pursues in this spirited account of a tragic American life Entrepreneur con man connoisseur forger and self made hero Jenkins was a Texan who knew how to bluff but not when to fold **Trillin on Texas** Calvin Trillin,2011-03-01 Gathers some of Trillin s best writing on subjects near to his heart politics true crime food and rare books among them which also have a Texas connection The Cattleman ,1976 **Catalog of Copyright Entries.
