August Strindberg The Strindberg Reader:

The Strindberg Reader August Strindberg, 1968 **The Strindberg Reader; a Selection of Writings of August Strindberg. Compiled, Translated, and Edited by Arvid Paulson** August Strindberg, 1968 **IN MIDSUMMER DAYS** AUGUST STRINDBERG, *The Son Of A Servant* August Strindberg, 2024-10 *The Son of a Servant* by August Strindberg is an autobiographical memoir that provides a poignant glimpse into the author's early life and personal struggles. Set in 19th century Sweden, the book explores themes of social class and poverty through Strindberg's recollections of his childhood. As the son of a servant, Strindberg faced significant hardships and family dynamics that profoundly shaped his perspective. The memoir offers a raw and introspective account of his experiences growing up in a lower social strata, shedding light on the emotional and financial challenges he encountered. Strindberg's reflections on his early life are marked by a deep sense of personal struggle and social critique, providing valuable insight into the societal conditions of his time. *The Son of a Servant* is a significant work in Swedish literature, illustrating the intersection of personal adversity and broader social issues that influenced Strindberg's later literary themes.

Selected Poems of August Strindberg Lotta M. Löfgren, 2002 August Strindberg 1849-1912 was one of the great innovators of modern drama as well as a novelist, poet, and master of the Swedish language. In this collection, *Selected Poems of August Strindberg*, editor and translator Lotta M. Löfgren has chosen poems from all three volumes of Strindberg's verse: *Poems in Verse* and *Prose*, *Sleepwalking*, *Nights on Awake Days*, and *Word Play and Minor Art* to illustrate to the English-speaking reader the development, strengths, and versatility of Strindberg the poet. Löfgren explains, "Although August Strindberg is internationally acknowledged as a pioneering realist, expressionist, and surrealist playwright, his poetry is still relatively unknown outside Sweden. The only English translation of his poems to date is the 1978 translation of *Sleepwalking Nights* by Arvid Paulson, that gives an incomplete and misleading picture of Strindberg's poetry. Löfgren's translation seeks to correct that picture. Strindberg's stature as a dramatist alone may be adequate justification for offering a translation of his verse, but his poetry stands well on its own. All three volumes broke new ground and paved the way for younger generations of poets. Löfgren hopes that her translation will not only introduce Strindberg's verse to English-speaking readers but will also inspire other scholars to revisit his poetry and give it the attention it deserves." *Selected Poems of August Strindberg* received the American Scandinavian Foundation's Translation Prize.

The Red Room August Strindberg, 2014-05 *The Red Room* is a Swedish novel by August Strindberg that was first published in 1879. A satire of Stockholm society, it has frequently been described as the first modern Swedish novel. In this novel, Strindberg reflects his own experiences of living in poverty while writing this novel during February to November 1879. While receiving mixed reviews in Sweden, it was acclaimed in Denmark where Strindberg was hailed as a genius. As a result of *The Red Room*, Strindberg became famous throughout Scandinavia. Edvard Brandes wrote that it makes the reader want to join the fight against hypocrisy and reaction.
