Auricula Meretricula:

Auricula Meretricula Ann Cumming, Mary Whitlock Blundell, 1993-01-01 *Auricula Meretricula* is a unique play for students in their first semester of Latin. Each scene uses new forms and vocabulary thus reinforcing the students' grasp of grammar by placing it in a living context. At the same time it provides an enticing introduction to Roman comedy and elegy. First published in 1981, *Auricula Meretricula* was greeted with enthusiasm by students and teachers and is currently used in many classics departments in the US and elsewhere. This substantially revised edition includes new scenes and characters while reducing the overall quantity of unfamiliar vocabulary. Originally *Auricula Meretricula* was written as a companion to Wheelock but can be used in conjunction with any introductory Latin textbook. This text provides a dramatic addition to a Latin course allowing students to read, speak, and act out Latin comedy with a vocabulary found in the second half of many first-year Latin textbooks.

Roman Satire and the Old Comic Tradition Jennifer L. Ferriss-Hill, 2015-02-26 Quintilian famously claimed that satire was *tota nostra* or totally ours, but this innovative volume demonstrates that many of Roman satire's most distinctive characteristics derived from ancient Greek Old Comedy. Jennifer L. Ferriss-Hill analyzes the writings of Lucilius, Horace, and Persius, highlighting the features that they crafted on the model of Aristophanes and his fellow poets: the authoritative yet compromised author, the self-referential discussions of poetics that vacillate between defensive and aggressive, the deployment of personal invective in the service of literary polemics, and the abiding interest in criticizing individuals, types, and language itself. The first book-length study in English on the relationship between Roman satire and Old Comedy, *Roman Satire and the Old Comic Tradition* will appeal to students and researchers in classics, comparative literature, and English.
