

The New Chapter Of My Life

**It started from the beginning
And lasted at beautiful ending
Again it will begin in playing
And start in moving**

**The new chapter of my life
In the different faces of life
It may be a good life,
It may be a bad life**

**But the new story lies on my hand
That is written in every pages of my life
The new chapters are created about my life
Now, all I need is to rely on my own hand**

**All I need is to wait and think
About the ending of my chapters that will wink**
