Chapters Of Gold Meditations On The Life Of Our Lady:

Chapters of Gold Rachel Billington, 2005-10-20 *Chapters of Gold* is a book of meditations on the life of Our Lady for modern busy people today. The short chapters are based on an episode in the life of Our Lady: the Annunciation, The Birth of Christ, the Finding of Christ in the Temple, right through to the witness to the Resurrection of Christ. The chapters consist of a short narrative and meditation and are each illustrated with beautiful four colour plates based on the mosaics from the Lady Chapel at Westminster Cathedral. These have been specially photographed for this book. A preface by Archbishop Rowan Williams demonstrates the growing devotion to Our Lady in non Catholic Western traditions and is itself an ecumenical gesture of some significance. At the end of the book the author has gathered a collection of prayers and devotions to Our Lady drawing from all Christian traditions. Devotion to Our Lady in the Eastern Orthodox tradition is every bit as strong as in the Roman Catholic Church, maybe even stronger and Our Lady plays a growing part in the devotional lives of Anglicans. This is a book for people of all Christian traditions. Both Cardinal Murphy O'Connor and Archbishop Gregorios have written endorsements for the book.

Chapters of Gold Rachel Billington, 2003-01-01 In Westminster Cathedral in London high up on the walls of the Lady Chapel are a series of beautiful mosaics depicting scenes from the life of Mary. These are very evocative and created by the artist with reverence and dedication. Twenty one of these episodes in mosaic captured by the distinguished photographer Gered Mankowitz are presented in this book accompanied by a text by the talented and popular writer and novelist Rachel Billington. Rachel Billington's meditations are imaginative and compelling; they are written by a woman of today who understands the meaning of Mary for busy people in the turbulent modern world. *Chapters of Gold* ends with an anthology of prayer and devotions to Mary. The Duchess of Kent has written a foreword and the book carries words from Cardinal Cormac Murphy O'Connor, Archbishop Rowan Williams and others which emphasises the ecumenical importance of Mary for all Christians and other great faiths.

Book jacket *Sanctuaries of Earth, Stone, and Light* Gloria Fraser Giffords, 2022-08-23 Over nearly three centuries Jesuit, Franciscan and Dominican missionaries built a network of churches throughout the new world of New Spain. Since the early twentieth century scholars have studied the colonial architecture of southern New Spain but they have largely ignored the architecture of the north. However, as this book clearly demonstrates, the colonial architecture of Northern New Spain, an area that encompasses most of the southwestern United States and much of northern Mexico, is strikingly beautiful and rich with meaning. After more than two decades of research both in the field and in archives around the world, Gloria Fraser Giffords has authored the definitive book on this architecture. Giffords has a remarkable eye for detail and for images both grand and diminutive. Because so many of the buildings she examines have been destroyed, she sleuthed through historical records in several countries and she discovered that the architecture and material culture of northern New Spain reveal the influences of five continents. As she examines objects as large as churches or as small as ornamental ceramic tile, she illuminates the sometimes subtle, sometimes striking influences

of the religious social and artistic traditions of Europe from the beginning of the Christian era through the nineteenth century of the Muslim countries ringing the Mediterranean from the seventh through the fifteenth centuries and of Northern New Spain's indigenous peoples whose art influenced the designs of occupying Europeans Sanctuaries of Earth Stone and Light is a pathbreaking book featuring 200 stunning photographs and over 300 illustrations ranging from ceremonial garments to detailed floor plans of the churches
