relationships enabling mentors to gear the material to each mentee's level of understanding. The book presents hundreds of scriptures organized around each topic for study or memorization. Consistent and judicious use of this book will allow you to better bring within your reach the vast responsibility of parenting or pastoring as you enter into deeper relationship with children, disciples, and God. The book assumes the approach that a life impresses and guides better than precepts alone, so it also speaks to parents and pastors hoping they will also build their own Christian character as the main beacon for others to follow. As you minister through this book, you'll inevitably see it applying to your own life, helping you to become a more effective vessel to disciple those under your nurture and care. Many parents, teachers, and pastors have testified that the changes in their own lives have been rewarding as those in the lives they've instructed.
