distributors of contemporary collectibles and more      **The Beer Stein Book** Gary Kirsner, 2000      **Primary Stein** Janet  
Boyd, Sharon J. Kirsch, 2014-10-16 Recent scholarly trends and controversies in Gertrude Stein scholarship have focused on  
her politics and her friendships as well as on Stein the collector the celebrity the visual icon Clearly these recent  
examinations not only deepen our understanding of Stein but also attest to her staying power Yet Stein s writing itself too  
often remains secondary The central premise of Primary Stein is that an extraordinary amount of textual scholarship remains  
to be done on Stein s work whether the well known the little known or yet unpublished The essays in Primary Stein draw on  
recent interdisciplinary examinations using cultural and historical contexts to enrich and complicate how we might read

understand and teach Stein's writing. Following Stein's own efforts throughout her lifetime to shift the focus from her personality to her writing, these innovative essays turn the lens back to a wide range of her texts including novels, plays, lectures, and poetry. Each essay takes Stein's primary works as its core interpretive focus, returning scholarly conversations to the challenges and pleasures of working with Stein's texts.

**Schroeder's Antiques Price Guide** Bob Huxford, Sharon Huxford, 1996

Antique dealers and collectors are quite aware that bargains are getting harder and harder to come by each and every day. Schroeder's Antiques Price Guide is still a real bargain at 12.95. Collectors, dealers, and our customers continue to ask how we can produce this huge 612-page book each year for such a low price. It's simple: we do it by numbers. It's no secret with publishing that the more you print, the less expensive each book is. So thanks to all our loyal customers who continue to buy our #1 bestselling title, we are able to keep the retail price low without sacrificing one bit of quality. That is why you get the best for less.

In August 1999, we will begin shipping the 18th edition of America's top antiques price guide. Once again, we have included over 50,000 listings, each one from all new sources and carefully checked by an authority on each particular subject. These 600 expert advisors make sure only the best and most accurate information remains. No one person could possibly be an authority on the over 600 categories that fill this reference, but Bob and Sharon Huxford and their highly respected team of advisors work year-round to make this the most respected up-to-date guide in the field of antiques and collectibles. Hundreds of sharp original photographs illustrate not only the rare and unusual but also the common collectibles, not postage stamp photographs but large close-up shots that show important details clearly. Each subject is presented with history and other background information. Our editors keep abreast of newly developing trends, often adding several new categories a year. If it merits the interest of today's collector, you'll find it in Schroeder's.

You can feel confident that the information we publish is up to the minute and accurate. Without a doubt, you'll find Schroeder's Antiques Price Guide the one to buy for factual information, quality, and the lowest retail price.
