Charles The King:

The King Christopher Andersen, 2022-11-08 From 1 New York Times bestselling author Christopher Andersen comes a vivid and unsparing yet sympathetic portrait of one of the most complex and enigmatic figures of our time Charles who has taken his place on the throne after being the oldest and longest serving heir in British history Since the day Charles Philip Arthur George was born he has been groomed to be King After more than seventy years of waiting he finally ascends the throne *The King* examines the private life of this historically important and controversial figure set against the grand thousand year sweep of the British monarchy This richly detailed biography covers it all from his military training to his marriage to Lady Diana through their separation and her tragic death to his marriage to Camilla Parker Bowles In the process it provides a balanced but fully honest look into the life of the new monarch This book will tell you what the King a man who has remained something of an enigma shrouded in speculation and intrigue is really like *The King* is the first biography of Charles since he has become monarch and serves as an authoritative chronicle of his life **King Charles III: 100 moments from his journey to the throne** The Sun, 2023-04-13 A SUNDAY TIMES BESTSELLER Stunning photographic King Charles III memorabilia gift for royal fans As the nation celebrates the coronation of a new monarch The Sun looks back on 100 moments in the life of the man who would be king **King Charles** Robert Jobson, 2019-11-12 An exhaustive and revealing biography of Britain's new monarch King Charles III with fresh reporting by the journalist the Wall Street Journal dubbed the Godfather of royal reporting With exclusive interviews and extensive research King Charles delivers definitive insight into the extraordinary life of His Royal Highness former Prince of Wales as he takes the throne a watershed moment in modern history and in the British monarchy New York Times bestselling author Robert Jobson debunks the myths about the man who became king going beyond banal bogus media caricatures of Charles to tell his true story Jobson who has spent nearly thirty years chronicling the House of Windsor and has met Charles on countless occasions received unprecedented cooperation from Clarence House what was the Prince's office in writing this illuminating biography King Charles divulges the full range of Charles's profoundly held political beliefs the United Kingdom's special relationship to the United States climate change Brexit and immigration to ultimately portray the kind of monarch Charles III will be Jobson taps a number of sources close to the now King who have never spoken on the record before plus members of the Royal Household who have served Charles during his decades of public life This comprehensive profile also reveals the late Queen Elizabeth's plans to transition Charles to the throne how at her insistence he already reads all government briefings and why he feels it is his constitutional duty to relay his thoughts to ministers in his controversial black spider memos Moreover King Charles reveals the truth about Charles's deeply loving but occasionally volatile relationship with his second wife and chief supporter Camilla The result is an intriguing new portrait of a man who at last has become king **Charles: the Heart of a King** Catherine Mayer, 2016-02-04 The Sunday Times Top Ten Bestseller The book that made headlines around the world

Independent He has lived his whole life in the public eye yet he remains an enigma He was born to be king but he aims much higher A landmark publication Charles The Heart of a King reveals Prince Charles in all his complexity the passionate views that mean he will never be as remote and impartial as his mother the compulsion to make a difference and the many and startling ways in which the heir to the throne of the United Kingdom and fifteen other realms has already made his mark The book offers fresh and fascinating insights into the first marriage that did so much to define him and an assessment of his relationship with the woman he calls with unintended accuracy his dearest wife Camilla We see Charles as a father and a friend a serious figure and a joker Life at court turns out to be full of hidden dangers and unexpected comedy Poignant funny and often surprising the first significant study of the Prince in over a decade reveals a man in sight of happiness yet still driven by anguish and a remarkable belief system a charitabl
