Mank, 1999 Over more than six decades and 200 films supreme movie villain John Carradine defined the job of the character actor running the gamut from preacher Casey of *The Grapes of Wrath* to his classic Count Dracula of *House of Frankenstein* and *House of Dracula* But for every *Prisoner of Shark Island* or *Jesse James* Carradine who also did great work on Broadway and the classical theater he produced directed and starred in *Hamlet* hammed it up in scores of B and C horror and exploitation films developing the while quite a reputation for scandal Through it all though he remained a survivor and a true professional This is the first ever work devoted exclusively to the films of John Carradine In addition to the comprehensive filmography there is a biography of Carradine contributed by Gregory Mank commentary on the man by indie film director Fred Olen Ray who helmed many latter day Carradine movies and an interesting piece by director Joe Dante who writes about Carradine s involvement in Dante s 1981 werewolf movie *The Howling*
