War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the  
lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000  
German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under  
the Geneva Convention they worked for their captors and helped save Kentucky s crops while enjoying relative comfort as  
prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates

February 2 1809 This book documents the players and productions that appeared at this venerable house and the challenges  
the Walnut has faced from economic crises changing tastes technological advances and competition from new media The  
Walnut s history is a classic American success story Built in the early years of the nineteenth century the Walnut responded  
to the ever changing tastes and desires of the theatergoing public Originally operated as a stock company the Walnut has  
offered up every conceivable form of entertainment pageantry and spectacle opera melodrama musical theater and  
Shakespeare It escaped the wrecking ball during the Depression by operating as a burlesque house a combination film and  
vaudeville house and a Yiddish theater before becoming the Philadelphia headquarters for the Federal Theatre Project  
Because Philadelphia is located so close to New York City the Walnut has served as a tryout house for many Broadway bound  
shows including *A Streetcar Named Desire* *The Diary of Anne Frank* and *A Raisin in the Sun* Today the Walnut operates as a  
nonprofit performing arts center It is one of the most successful producing theaters in the country with more than 350 000
