Bergilinda's Journey Sherridean Abddeen,2022-01-03 Bergilinda's Journey and the Diary of Souls is a fictional story about a young Arcadian woman's journey through life on a spiritual plain documented in her diary of souls Bergilinda known as Berg encounters two so-called angels who she later learned may not have been angels but instead lost souls manipulating her journey and enacting revenge on her behalf Berg's access to the world beyond provided her pathways to understand how death works and where life begins but no matter what Berg learned Berg realized the answers were like a winding road without conclusions Berg's life as a young girl growing up and how she walks among past souls is a fictional tale that is full of joy pain and lessons learned through love life and the afterlife 1 Mental Health & The Gospel Community Ng

Zhi-Wen,Jonathan Cho,Joanna Hor,Bernice Lee,Nicole Ong,Ronald JJ Wong,2019-09-13 Mental illness is often misunderstood Christians with mental illness even more so Various myths and erroneous mindsets often hinder the Gospel Community from being effective in supporting those with mental illness This book speaks to and sheds light on mental illness in three ways Following a theological overview from Leow Wen Pin it first presents stories from Christians who have mental illness Their honest accounts provide a glimpse into the realities of their suffering the words that have helped them and the ones that haven't and the glimmer of hope that they find in Christ Second it offers testimonies from those who are caregivers of loved ones with mental illness Their words give insight into the realities of their journey the real questions they have for God and mostly the heart that they have for those they are caring for Third it provides perspectives from pastors who have either struggled with mental illness or who are actively providing life-giving communities in their churches for those who do Their practical and loving advice offers stepping stones that can guide the Gospel community into becoming a safe place for those with mental illness This nuanced book is a necessary read for anyone who wants to catch God's heart for the mentally ill

Silent Thoughts Renzie, 2016-11-04 Ive often wondered and Im sure others have too what goes through a persons mind when trials and tribulations arise in their life Im not just talking about the difficult times but the joyful ones too We ask ourselves questions like What makes a person stay in an abusive relationship when its so easy to walk away Why do some people cry after receiving good news Why is the homeless man smiling while living in a cardboard box Why did the mother who just buried her murdered child forgive his murderer These are just some of the questions we ponder How blessed I am that I get to share some of those stories with you Silent Thoughts is just that the thoughts of a person who may be going through similar situations in their life Since we dont know their journey who are we to judge them I think its best that we simply listen and learn as their situations teach us about life and while were doing that who knows a few secrets may be revealed and save us a little pain or increase the joyful life were already living Silent Thoughts is the book youve been waiting for to answer some of those questions Its the missing piece to your puzzled mind so let it fill in the blanks and exercise the beliefs you were unsure about Im sure when youre finished a few of your questions will have been answered So as always sit back and relax and let some of our stories do the talking for a while Enjoy **Sacred and Legendary Art:**
