Chasing The Magdalene:

Chasing the Magdalene Cynthia Ploski,2005-01-01 *Chasing Magdalene* Loren Qualls, **The Secret Magdalene** Ki Longfellow,2007-03-27 Raised like sisters Mariamne and Salome are indulged with riches position and learning a rare thing for females in Jerusalem But Mariamne has a further gift an illness has left her with visions she has the power of prophecy It is her prophesying that drives the two girls to flee to Egypt where they study philosophy mathematics and astronomy in the Great Library of Alexandria After seven years they return to a Judaea where many now believe John the Baptizer is the messiah Salome too begins to believe but Mariamne now called Magdalene is drawn to his cousin Yeshu a a man touched by the divine in the same way she was during her days of illness Together they speak of sharing their direct experience of God but Yeshu a unexpectedly gains a reputation as a healer and as the ill and the troubled flock to him he and Magdalene are forced to make a terrible decision This radical retelling of the greatest story ever told brings Mary Magdalene to life not as a prostitute or demon possessed but as an educated woman who was truly the apostle to the apostles The Chase Ron Charles,2020-03-25 The Chase is the second of the three volume continuum entitled The Hunt Volume 1 was entitled The Search It recorded my search for historical documents that confirmed the truth about the life of Jesus as recorded in the four Gospels of the Bible Volume 2 The Chase is a record of the application of the documentation found in The Search to the truth regarding the life of Jesus as recorded in the four Gospels of the Bible Volume 3 The Find will use historical documents found and applied to the life of Jesus to identify and conform his position as Messiah forgiving Savior and Eternal King The second volume The Chase of the set of three explores the earthly life of Jesus within the context of known Greco Roman history customs philosophies and manners of the time Jesus was born into this world during the time of the Roman emperor Caesar Augustus January 27 BC to August 14 AD He lived ministered and was put to death during the reign of Roman emperor Caesar Tiberius September 14 AD to March 37 AD Jesus was born into part of the world governed by Herod the Great a vassal king appointed by the emperor **Appendix to the twenty-sixth (twenty-seventh, thirty-fifth-forty-seventh) report** Ecclesiastical commissioners,1885 Crop Circles Mary Carroll Nelson,2007 Since the late 1970s crop circles have been appearing in grain fields all across the globe but especially in Southern England These large graphic designs are created through the contrast between the light catching flattened grain swirled to the ground and the darker grain left standing in the fields The beauty of the art can be seen in its entirety from the air and such space filling dynamic patterns are evidence that creative intelligent CircleMakers are intentionally marking the Earth But why they do it and who they are remain mysteries In Crop Circles Mary Nelson speculates on possible answers to these questions Nelson takes the view that crop circles are a new art form The record of civilization can be read through a study of art history Today CircleMakers are using land as a canvas She asks what do crop circles reveal about our own period Are these huge artworks alerting us to increase our awareness to follow an elevated path more spiritual and less material more in harmony and less adversarial

more of a circle than a box so that humanity can at last fulfill its evolutionary destiny instead of destroying itself In Crop Circles Nelson combines the viewpoint of an art historian with that of artist and seeker to probe the connection between the crop formations and developments in contemporary thought There is also a special hardcover edition available with a linen slipcase and accompanied by original artwork by Mary Carroll Nelson *The S. Qualls,2009 In *Dark Language* Loren Qualls discusses how the post rebellion genre of fiction takes a critical examination of African Americans after the Civil Rights Movement when African Americans crossed the color barrier into every aspect of American culture Yet the question remains Who did the slave become The middle class This neo African American is born with liberties that their predecessor was not afforded The post rebellion genre of African American literature comes from the freedom in knowing choice but this genre expresses the consistent anxiety paranoia and struggle for an identity and way of expression A characteristic that differentiates this genre from other periods in African American history is its detachment from traditional icons and ideologies of African American culture The generation that perpetuates this characteristic does not exhibit the same rudiment in religious sacrament or a common commitment to ideals of equality Although African Americans have been bound by the goal of liberty of the individual they fail in attempts at establishing group identification through any other mass movement or politics The genre examines the African American being exploited and exploiting themselves and exploiting others all based on the concept of race BOOK JACKET *The Crimson Dream (a vampire escape)* Patricia K McCarthy,2014-03-24 An Epic Journey into the Past and Future Will there be a price to pay for the choices made Will love and loyalty overcome all *The Crimson Dream A Vampire Escape* Samuel must be freed before he perishes inside prison and if ever he hopes to be reunited with the woman he loves Magdalene and Finn are hiding out with Auntie and her many mugs of dark rum When time takes a reverse turn back to the days of Ottawa s old past in the 1900s Sir William seduces the upper class ladies with the aplomb of a gentleman He unleashes his vampire lust and then orchestrates a life altering night for his prized hybrid son And in returning to present day Ottawa an ingenious escape is somehow carried out by David Three Rats and the Coffey boys if only they can remain focused they ll do anything for their dearest friend In the end the real truth will be learned who lives and who dies who dreams and who hides Geschichte Der Ballade Chevy Chase Karl Nessler,1911 *Koenig v.
