CLIMBING A LADDER

I'm climbing a ladder.
I can't see the top.
Don't know where I'm heading,
But still, I don't stop.
The ladder is sturdy.
I climb past our roof.
I have a strange feeling
This might be a goof.
The chimney's below me.
I dare not look down.
I know it's a distance
To fall to the ground.
I reach the first cloud,
And it's thicker than cream.
I say to myself,
"This is likely a dream."
Though I'm scared of heights,
My knees do not quake.
I love this so much
That I don't want to wake.

Chaucer's Dream-poems James Winny, 1973 Dream Visions and Other Poems Geoffrey Chaucer, 2007 This Norton Critical Edition presents Chaucer's four dream visions and selected shorter poems and is suitable for both beginning and advanced students Chaucer's Dream Poetry Barry A. Windeatt, 1982 This volume makes available in translation the texts that lie behind Chaucer's dream poems The Book of the Duchess The Parliament of Fowls The House of Fame and Prologue to the Legend of Good Women Chaucer's dream poems are now being increasingly studied and appreciated With their attractively bookish dreamer figure and their graceful use of conventions and traditions they have their distinctive place in Chaucer's work But the modern reader of these medieval poems particularly needs a sense of their literary context in the tradition of comparable narrative poems largely in Old French which Chaucer knew and drew upon None of these French poems has ever been made available in English translation before and many of the texts are difficult to access being available only in dated French scholarly editions The authors represented are Froissart Machaut and Deschamps as well as some minor and anonymous poems and there are also relevant translations from Cicero and Boccaccio The book gives an idea of what Chaucer's sources were in themselves and in what ways the English poet was inspired to use and go beyond them and this presents a picture of the poet at work Some of the French poems are translated carefully by Chaucer while with other poems he is selective interested in certain sections of his sources only In further cases the original material can be seen to have provided a more general point of departure for Chaucer's own developments on his work The realism of dream visions Constance B. Heatt, 2019-01-29 No detailed description available for The realism of dream visions **Dream Poetry and Minor Works** Geoffrey Chaucer, 2016-12-11 Before Geoffrey Chaucer wrote his most famous work The Canterbury Tales he attempted several dream visions Book of the Duchess a memorial of Blanche Duchess of Lancaster for her widower John of

Chaucer's Prayers Megan E. Murton,2020 A close examination of the prayers in Chaucer s poetry sheds significant new light on his poetic practice In a culture as steeped in communal scripted acts of prayer as Chaucer s England a written prayer asks not only to be read but to be inhabited its I marks a space that readers are invited to occupy This book examines the implications of accepting that invitation when reading Chaucer s poetry Both in his often overlooked pious writings and in his ambitious innovative pagan narratives the I of prayer provides readers with a subject position that can be at once devotional and literary a stance before a deity and a stance in relation to a poem Chaucer uses this uniquely open participatory I to implicate readers in his poetry and to guide their work of reading In examining Christian and pagan prayers

alongside each other Chaucer's Prayers cuts across an assumed division between the religious and secular writings within Chaucer's corpus Rather it emphasizes continuities and approaches prayer as part of Chaucer's broader experimentation with literary voice It also places Chaucer in his devotional context and foregrounds how pious practices intersect with and shape his poetic practices These insights challenge a received view of Chaucer as an essentially secular poet and shed new light on his poetry's relationship to religion rayer as part of Chaucer's broader experimentation with literary voice It also places Chaucer in his devotional context and foregrounds how pious practices intersect with and shape his poetic practices These insights challenge a received view of Chaucer as an essentially secular poet and shed new light on his poetry's relationship to religion rayer as part of Chaucer's broader experimentation with literary voice It also places Chaucer in his devotional context and foregrounds how pious practices intersect with and shape his poetic practices These insights challenge a received view of Chaucer as an essentially secular poet and shed new light on his poetry's relationship to religion

Portrayal of the Dreamer in Chaucer's Dream-vision Poems B.V. McCarthy, 1969

The House of Fame Geoffrey Chaucer, 2015-09-28 The House of Fame Hous of Fame in the original spelling is a Middle English poem by Geoffrey Chaucer probably written between 1379 and 1380 making it one of his earlier works It was most likely written after The Book of the Duchess but its chronological relation to Chaucer's other early poems is uncertain The House of Fame is over 2 000 lines long in three books and takes the form of a dream vision composed in octosyllabic couplets Upon falling asleep the poet finds himself in a glass temple adorned with images of the famous and their deeds With an eagle as a guide he meditates on the nature of fame and the trustworthiness of recorded renown This allows Geoffrey to contemplate the role of the poet in reporting the lives of the famous and how much truth there is in what can be told The work begins with a proem in which Chaucer speculates on the nature and causes of dreams He claims that he will tell his audience about his wonderful dream in full Chaucer then writes an invocation to the god of sleep asking that none whether out of ignorance or spite misjudge the meaning of his dream The first book begins when on the night of the tenth of December Chaucer has a dream in which he is inside a temple made of glass filled with beautiful art and shows of wealth After seeing an image of Venus Vulcan and Cupid he deduces that it is a temple to Venus Chaucer explores the temple until he finds a brass tablet recounting the Aeneid Chaucer goes into much further detail during the story of Aeneas's betrayal of Dido after which he lists other women in Greek mythology who were betrayed by their lovers which lead to their deaths He gives examples of the stories of Demophon of Athens and Phyllis Achilles and Breseyda Paris and Aenone Jason and Hypsipyle and later Medea Hercules and Dyanira and finally Theseus and Ariadne
