Che Guevara Cigar Box:

Che Guevara's Marijuana & Baseball Savings & Loan Jack Shakely, 2013-06 Sex drugs revolution and the dawn of the Peace Corps In 1963 volunteer Jack Harjo sits in the jungles of Costa Rica pondering three questions is there a greater good does it apply here and can you really trademark Panama Red Acapulco Gold and Maui Wowie Che Guevara s Marijuana and Baseball Savings and Loan reveals the writer at his artistic best Jack Shakely captures those rich wild and crazy 1960 s as a Peace Corps Volunteer in Costa Rica bringing us a deep understanding of all the unexpected random craziness and adventure that comes to those willing to try and make this a better world A good writer has to be an even better story teller and Shakely excels at both He moves us through the life of Jack Harjo growing up with a mixed blood Creek Indian father and a talented Anglo newspaper columnist mother in the small Oklahoma town of Ardmore The bonds that inform and shape Shakely are revealed in the role that his mother and Bob Hogan the editor of the local newspaper play in developing his love of language and journalism The convergence of this love getting at the truth and his love of baseball are the three chords that hold this song and story together and make it so engaging Harjo s studies at the University of Oklahoma bring us into contact with the coming of age craziness of the era especially as it applies to a big state university in a small conservative town Shakely introduces us to a right wing conservative politician and weaves him and his rebellious daughter into and through the story in a way that makes the reader wonder if this were the 1960 s or today As the story moves into Costa Rica and the upheaval of the 60 s in Central America the reader is given a quick primer on how so many of the pieces of the puzzle fit together Castro Cuba Nicaragua poverty revolution and how those forces are still at work today The pure excitement of Kennedy and the creation of the Peace Corps and why it was so widely embraced has never been better explained Whether this is auto biographical or pure fiction we are all better for the quality of writing that Shakely shares with us You will be rewarded by reading it Steve Vetter President CEO Partners for the Americas *Habanos*, 1997 Historian photographer writer Nancy Stout reproduces a trove of historical literature and imagery surrounding the early manufacture and export of Havana cigars Many beautiful cigar labels and art are reproduced here for the first time as are related historical paintings cartoons and writings 200 Illustrations 150 in color *An Unfinished Love Story* Doris Kearns Goodwin, 2006-04-14 The 1 New York Times bestseller from America s historian in chief New York magazine An Unfinished Love Story A Personal History of the 1960s by Doris Kearns Goodwin one of America s most beloved historians artfully weaves together biography memoir and history She takes you along on the emotional journey she and her husband Richard Dick Goodwin embarked upon in the last years of his life Dick and Doris Goodwin were married for forty two years and married to American history even longer In his twenties Dick was one of the brilliant young men of John F Kennedy s New Frontier In his thirties he both named and helped design Lyndon Johnson s Great Society and was a speechwriter and close advisor to Robert Kennedy Doris Kearns was a twenty four year old graduate student when selected as a White House Fellow She worked directly for Lyndon Johnson and

later assisted on his memoir Over the years with humor anger frustration and in the end a growing understanding Dick and Doris had argued over the achievements and failings of the leaders they served and observed debating the progress and unfinished promises of the country they both loved The Goodwins last great adventure involved finally opening the more than three hundred boxes of letters diaries documents and memorabilia that Dick had saved for more than fifty years They soon realized they had before them an unparalleled personal time capsule of the 1960s illuminating public and private moments of a decade when individuals were powered by the conviction they could make a difference a time like today marked by struggles for racial and economic justice a time when lines were drawn and loyalties tested Their expedition gave Dick s last years renewed purpose and determination It gave Doris the opportunity to connect and reconnect with participants and witnesses of pivotal moments of the 1960s And it gave them both an opportunity to make fresh assessments of the central figures of the time John F Kennedy Jacqueline Kennedy Martin Luther King Jr Robert Kennedy Eugene McCarthy and especially Lyndon Johnson who greatly impacted both their lives The voyage of remembrance brought unexpected discoveries forgiveness and the renewal of old dreams reviving the hope that the youth of today will carry forward this unfinished love story with America
