Atminties Dienos:

Resistance and Survival Sara Ginaite-Rubinson, 2011-01-01 The image of author Sara Ginaite Rubinson at the start of her memoir is iconic in terms of the Jewish Resistance movement during WWII and is featured prominently in the Holocaust Museum First published in Lithuania in 1999 this book received very wide critical acclaim and is now considered one of the seminal works on Lithuanian Jewry during the Holocaust period It is co published with the Holocaust Centre of Toronto UJA Federation

The Vanished World of Lithuanian Jews, 2004-01-01 The Lithuanian Jews Litvaks played an important and unique role not only within the Polish Lithuanian Commonwealth but in a wider context of Jewish life and culture in Eastern Europe too The changing world around them at the end of the nineteenth century and during the first decades of the twentieth had a profound impact not only on the Jewish communities but also on a parallel world of the others that is those who lived with them side by side Exploring and demonstrating this development from various angles is one of the themes and objectives of this book Another is the analysis of the Shoah which ended the centuries of Jewish culture in Lithuania a world of its own had vanished within months This book therefore recalls that vanished world In doing so it sheds new light on what has been lost The papers presented in this collection were delivered at the international conferences in Nida 1997 and Tel iai 2001 Lithuania Participants came from Israel the USA Great Britain Poland Russia Belarus Germany and Lithuania

Engaging with Historical Traumas Nena Močnik, Ger Duijzings, Hanna Meretoja, Bonface Njeresia Beti, 2021-07-12 This book provides case studies of how teachers and practitioners have attempted to develop more effective experiential learning strategies in order to better equip students for their voluntary engagements in communities working for sustainable peace and a tolerant society free of discrimination All chapters revolve around this central theme testing and trying various paradigms and experimenting with different practices in a wide range of geographical and historical arenas They demonstrate the innovative potentials of connecting know how from different disciplines and combining experiences from various practitioners in this field of shaping historical memory including non formal and formal sectors of education non governmental workers professionals from memorial sites and museums local and global activists artists and engaged individuals In so doing they address the topic of collective historical traumas in ways that go beyond conventional classroom methods Interdisciplinary in approach the book provides a combination of theoretical reflections and concrete pedagogical suggestions that will appeal to educators working across history sociology political science peace education and civil awareness education as well as memory activists and remembrance practitioners

Bringing the Dark Past to Light John-Paul Himka, Joanna Beata Michlic, 2019-06-12 Despite the Holocaust's profound impact on the history of Eastern Europe the communist regimes successfully repressed public discourse about and memory of this tragedy Since the collapse of communism in 1989 however this has changed Not only has a wealth of archival sources become available but there have also been oral history projects and interviews recording the testimonies of eyewitnesses who experienced the Holocaust as

children and young adults Recent political social and cultural developments have facilitated a more nuanced and complex understanding of the continuities and discontinuities in representations of the Holocaust People are beginning to realize the significant role that memory of Holocaust plays in contemporary discussions of national identity in Eastern Europe This volume of original essays explores the memory of the Holocaust and the Jewish past in postcommunist Eastern Europe Devoting space to every postcommunist country the essays in *Bringing the Dark Past to Light* explore how the memory of the dark pasts of Eastern European nations is being recollected and reworked In addition it examines how this memory shapes the collective identities and the social identity of ethnic and national minorities Memory of the Holocaust has practical implications regarding the current development of national cultures and international relationships *A Survivor Named Trauma* Myra Sklarew,2020-02-01 *A Survivor Named Trauma* examines the nature of trauma and memory as they relate to the Holocaust in Lithuania How do we behave under threat How do we remember extreme danger How do subsequent generations deal with their histories whether as descendants of perpetrators or victims of those who rescued others or were witnesses to genocide Or those who were separated from their families in early childhood and do not know their origins Myra Sklarew s study draws on interviews with survivors witnesses rescuers and collaborators as well as descendants and family members gathered over a twenty five year period in Lithuania Returning to the land of her ancestors Sklarew found a country still deeply affected by the Nazi Holocaust and decades of Soviet domination Interdisciplinary in nature this book will appeal to readers interested in neuroscience and neuropsychology Holocaust studies Jewish history and personal memoir

Vilnius between Nations, 1795-2000 Theodore R. Weeks,2015-12-04 The inhabitants of Vilnius the present day capital of Lithuania have spoken various languages and professed different religions while living together in relative harmony over the years The city has played a significant role in the history and development of at least three separate cultures Polish Lithuanian and Jewish and until very recently no single cultural linguistic group composed the clear majority of its population *Vilnius between Nations 1795 2000* is the first study to undertake a balanced assessment of this particularly diverse city Theodore Weeks examines Vilnius as a physical entity where people lived worked and died as the object of rhetorical struggles between disparate cultures and as a space where the state attempted to legitimize a specific version of cultural politics through street names monuments and urban planning In investigating these aspects Weeks avoids promoting any one national narrative of the history of the city while acknowledging the importance of national cultures and their opposing myths of the city s identity The story of Vilnius as a multicultural city and the negotiations that allowed several national groups to inhabit a single urban space can provide lessons that are easily applied to other diverse cities This study will appeal to scholars of Eastern Europe urban studies and multiculturalism as well as general readers interested in the region
