thinking lives and worship As we better understand God s attributes we will learn to delight in who God is and how he has made himself known to us in Scripture

The Knowledge of the Holy A. W. Tozer,2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God s infinity to God s love and relates that aspect to today s world while pointing always to God s wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today s church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God s majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us

The Attributes of God Arthur W. Pink,2006-12-01 The foundation of our knowledge of God rests upon knowing what he is like Without understanding God s attributes we have a skewed perception of him often one cast in our own image We need more than just a theoretical knowledge of God in order to worship him as he desires This classic work of Arthur W Pink invites readers to discover the truth about seventeen attributes of God including his sovereignty immutability patience love faithfulness and much more Pink shows readers a God who is alive all powerful and active in his creation The perfect introductory text The Attributes of God also has enough depth and meat to satisfy the more experienced reader

The Attributes of God A. W. Pink,2009-04-01 Despite the ubiquity of the word God in our daily lives how much time do we spend actually contemplating the nature of the divine In this volume author A W Pink plumbs the Scriptures and Christian theology to compile a surprisingly detailed account of the nature of God Even lifelong believers might be surprised by some of the findings presented in this engrossing analysis

The Attributes of God Volume 2 A. W. Tozer,2007-02-14 The most important question we can ask For A W Tozer there is no question more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons to the Avenue Road congregation in Toronto this follow up to The Attributes of God Volume 1 examines ten more attributes of God It also includes a study guide for an in depth look

at each attribute Self Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you The Attributes of God Volume 1 A. W.

Tozer,2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of The Attributes of God examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church THE ATTRIBUTES OF GOD Arthur W. Pink,2021-11-11 If you want to get to know someone well it is helpful to learn their attributes characteristics Similarly if you want to know God well you need to understand what His attributes are Consider how God enriched our life by creating humans in his image Genesis 1 27 That indicates that he made it possible for us to reflect his superior attributes qualities in a small way He endowed us with spiritual capacity or the ability to understand his views and values As we endeavor to live by these we enjoy greater happiness and meaning in life More than that he gave us the potential to build a relationship with him The 20 short chapters in the second edition of THE ATTRIBUTES OF GOD by Arthur W Pink help readers discover the truth about God s most significant characteristics or qualities attributes Edward D Andrews an author of 170 books has updated archaic language added two additional attributes of God a modern literal translation for quoted Bible verses adding some 60 pages of material

Praying the Attributes of God Ann Spangler,2013-09-20 God Is Greater than You Think Many people feel both drawn to God and afraid of him How can they feel close to a perfect God whom their flawed self is incapable of pleasing Fortunately God has revealed truths about himself in Scripture that can untangle our confusion In this daily guide to studying and praying according to the attributes of God Ann Spangler resurrects old fashioned words like holiness omnipotence omniscience and omnipresence Far from boring us these words when excavated for their biblical meaning paint a thrilling vision of God that can help us experience spiritual growth in a deeper way They can also prevent us from making the colossal mistake of concluding God is too weak distant or uncaring to help us when we need him In the tradition of her bestselling books Praying the Names of God and Women of the Bible this new daily devotional focuses on one particular attribute each week Praying the Attributes of God will help you see that God is far bigger and far better than you could ever hope or suspect

Attributes of God Thomas Naveen,2020-11-03 The book s title best describes the content inside It s very important to understand a person s character to approach them to talk to convey our request and get their guidance Many a times our

understanding of God's character is based on our tradition and our experience and is different from the Biblical truth. This might be the only root cause for our unhappiness today. We say God is good. But are we standing by this truth at the toughest points of our life? A thin line differentiates our understanding from the truth that is the key factor. I believe this book will deal with those thin line differences in our hearts and help to understand God the way the Bible tells. The benefits we receive when we understand God's attributes the right way are countless. Happy reading. You are blessed.

The 52 Attributes of God
Raymond Creed, 2011

The 52 Attributes of God handles such questions as 1 Who is God 2 What is He like 3 How did He react to the death of Jesus 4 How does He react to the corruption found in much of the Church 5 To what extent can we become like God. The 52 Attributes of God should prove particularly useful to religious ministers of all denominational backgrounds, local church elders, Christian teachers, evangelists, and theological students. The Messianic Jewish community and those wishing to delve deeper into theology would especially benefit. It should also be of assistance to those confused or troubled by particular spiritualities which alluringly offer the chance of becoming divine. Any public or academic library with a theological section will find it a rich resource.

The Attributes of God in Islamic Thought Mansooreh Khalilizand, 2024-03-18

The debate over Allah's attribute, the nature and the inner articulation of Allah is one of the focal debates in the intellectual history of Islam. This edited collection aims to highlight and examine some aspects of this debate in their original context based on the relevant primary literature. By showing that even an apparently self-evident concept such as Allah which lies at the heart of every reading of Islam is highly ambiguous and polysemous, the chapters also emphasise the plurality that has always existed in Islamic thought. Through highlighting the philosophical and theological reflections on the concept of Allah, the results of this study challenge the juristic reading of Islam in which Allah's function consists mainly in providing a detailed plan for the human life and also rewarding or punishing the ones who deviates from it. The book also attempts to demonstrate the relevance and the actuality of the tradition and to stress its contemporaneity. This volume makes a significant part of the intellectual tradition of Islam accessible for students and scholars of Islamic theology, Islamic philosophy, Islamic studies, and the like, as well as providing a secondary source for teaching on the debate in question.

Meditating on the Attributes of GOD GERARD ASSEY, 2021-03-18

When we speak of God's attributes we are talking about those characteristics that help us to understand who He truly is. An attribute of God is not a part of God, not component parts of God. In other words, God is not 15% love, 25% holy, 5% righteousness, 10% mercy, etc. Each attribute describes His total being. For example, love is not just a part of God's nature. God in His total being is love. Holiness is not just a part of God's nature. God in His total being is holy. And God will not compromise one of His attributes when exhibiting another attribute of His. So we always need to remember that God is the sum of all perfections and because of which we must be careful when we study the attributes of God that we do not

emphasize one attribute at the expense of the others What you will find in this book Meditating on the Attributes of GOD are just some of His attributes and are in no way thorough as God is infinitely far above and beyond our ability to fully understand and comprehend HIM Our finite minds cannot reason fully not even a fraction of Who God is but the Bible communicates what He is like so that we can know Him better God tells us through His very Word specific truths about Himself so that we can know what He is like and be drawn to better worship Him God's manifold attributes shine most clearly in His Son Jesus Christ who came to reveal His Father Through Christ's saving work on the cross we are able to know and worship God rightly And once we begin to grasp Who God really is and what He is like it will make a difference in our lives Properly understanding God is the key to trusting Him enough that He can live through you A W Tozer wrote What comes into our minds when we think about God is the most important thing about us A right view and understanding of God is essential if we are to develop trust and faith in Him and have real purpose in living So why learn about the attributes of God As someone very well put it A man's own character will necessarily be determined by the character of the god whom he worships What you are and what you will turn out to be in life is affected by whom or what you worship Therefore in order to have a true understanding of Who God is so as to rightly worship this God of the Bible we must have a right understanding of His attributes Though there are many good reasons why it is important for us to understand the attributes of God here are just 3 key reasons as to why I believe it is important for us to do so 1 It pleases God 2 It saves and protects us from having a wrong view of God 3 The result is joy in our hearts This book therefore aims to help us study and understand the attributes of this infinite God so that we delight in and love Him with all our heart soul strength and mind As you will notice this book dwells on twelve key attributes that have been selected one for every month And as you get into a particular month with a specific attribute for that month you will find 31 verses pertaining to that said month's attribute Use this devotional to enrich your time set apart with God by taking one description of Him and meditating on that for the whole day along with the accompanying passage I pray that this book will help you in your worship of God the purpose you were created for by focusing on Him and His character

The Philosophical Theology of St. Thomas Aquinas Leo Elders, 1990-01-01 The philosophical theology of St Thomas Aquinas is the crowning piece of his metaphysics Leo J Elders studies it against the background of the attempts of the great philosophers of the past to penetrate deeper into the knowledge of God While the Introduction treats the nature of philosophical theology according to Aquinas Chapter One presents a concise history of the idea of God in Western philosophical thinking Chapters Two and Three deal with the question of the cognoscibility of God and the Five Ways of St Thomas New solutions are proposed of some difficulties in the Third and Fourth Ways The attributes of God are studied in the order of the Summa theologiae I Chapter Seven considers the grammar of God language The following chapters examine divine knowledge foreknowledge of future events divine will and providence as well as creation The last chapter deals with the problem of the co-existence of God and finite creatures This study shows that the

philosophical theology of St Thomas Aquinas is a coherent whole of impressive depth and beauty It has its basis in our daily experience of the world and the general principles of being but its conclusions reach the summits of negative theology
