What is Faith First What Faith is not is perhaps an important study to begin First faith is not religion Many times people say We have our faith What do they really mean in saying this they are saying We have our religious ideas and doctrines our traditions our ways of doing things that unlikely been passed down through the generations Don t you try to change any of them These thoughts ideas have been established among us and not to be questioned whether they are proven true or not Please perhaps this is not really Biblical Faith This is not what the Bible is teaching when it teaches the foundations principles and ideas of faith true faith in God Faith is not mental assent It is not agreeing with your mind Yes this is true because I believe it to be true faith in my mind and way of seeing things Many professing Christians believe mentally that the Bible is the Word of God but this faith does not change their way of life believing and thinking God s thoughts of true bible believing faith It is not a faith that can save and give them experiential knowledge and power with God in Faith James 2 14 Even demons have that kind of faith They know and believe that God exists James 2 19 and tremble They have no loving faith confidence in God Satan believes and trembles before God s faith but will not embrace the eternal God s way of a faith life in Him Faith is not hope nor is faith a simple a set of positive thoughts and desire The scriptures teaches hope hope is good and relates to the future The bible teaches Faith and its promises as done NOW in the NOW Many people have hope and are anxiously looking for results but they lack the settled confidence and present assurance which only faith has and can give one Faith is not a way to manipulate God It is not a power by which we make God do what WE want when otherwise He would be unwilling to do that thing It is not a kind of magic through which we make God into our servant and our selfish wishes and desires What Faith Is Faith in its general sense of the word is confidence or belief something or someone It is a complete trust fully confident that you base your actions on what you believe To have faith is to be fully convinced of the truthfulness and reliability of that in which you believe Faith in God is having the kind of trust and confidence in God in Christ that leads you to commit your whole soul life to Him as Saviour Justifier Cleanser Healer Deliverer and Lord Master King The faith that established a relationship that causes one to act upon the WORD of GOD WITHOUT any reservation In this text we will discuss and see Revelation Faith The faith as revealed in Hebrews 11 1 that says Now Faith is the substance of things hope for being sure of what we hope for the evidence of things not seen certain of what we do not see Hebrews 11 1 KJV Revelation Faith is a spiritual substance When you have this faith spiritual substance in you it communicates to you a certain inner knowing that the thing you are hoping for is certainly established as God says even before you see any material evidence that it has happened Faith in spiritually is a spiritual force Faith in God is a response to God s Word which causes God to move and act Jesus said in Mark 11 23 For assuredly I say to you whoever SAYS to this mountain Be removed and cast into the sea and does not doubt in his heart but

BELIEVES that those things he SAYS will be done he will HAVE whatever he SAYS Words mixed with Real true and pure faith can and will move mountains that means any problem or situation that appears before us as a mountain We will not only learn how to have faith in God in all things but how to use the faith of God in us Audacity to Believe Sheila Cassidy,1980 The authors life is described in Chile as well as her arrest for aiding a revolutionary The Wish to Believe Wilfrid Ward,1885 **I Believe in God** Agnes Maude Royden,1927 Successful Strategies for Your Life Don B.
