Augustine Of Hippo

Miles Hollingworth

Augustine Of Hippo:

Augustine of Hippo Peter Brown, 1969 This classic biography was first published thirty years ago and has since established itself as the standard account of Saint Augustine's life and teaching **Saint Augustine of Hippo** Miles Hollingworth, 2013-05-27 St Augustine was undoubtedly one of the great thinkers of the early church Yet it has long been assumed and not without reason that the main lines of Augustine's thought have been more or less fixed since his death That insofar as we should be aware of him in the twenty first century he is a figure described if not circumscribed by his times A major revisionist treatment of Augustine's life and thought Saint Augustine of Hippo overturns this assumption In a stimulating and provocative reinterpretation of Augustine's ideas and their position in the Western intellectual tradition Miles Hollingworth though well versed in the latest scholarship draws his inspiration largely from the actual narrative of Augustine's life By this means he reintroduces a cardinal but long neglected fact to the center of Augustinian studies that there is a direct line from Augustine's own early experiences of life to his later commentaries on humanity Augustine's new Christianity did not in blunt assaults of dogma and doctrine obliterate what had gone before Instead it actually caught a subtle and reflective mind at the point when it was despairing of finding the truth Christianity vindicated a disquiet that Augustine had been feeling all along he felt that it alone had spoken to his serious rage about man abandoned to the world and dislocated from all real understanding by haunting glimpses of the Divine A major new treatment of Augustine on all fronts this superb intellectual biography shines a bright light on a genuinely neglected element in his writings In so doing it introduces us to Augustine as he emerges from the unique circumstances of his early life struggling with ironies and inconsistencies that we might just find in our own lives as well [The Confessions](#) Augustine of Hippo, 2010-12-30 Boulding's fresh new translation of this classic captures the essence of Augustine's struggle to integrate faith and understanding as his heart seeks to rest in God Augustine's Confessions has been much translated but it is no exaggeration to say that Sister Maria Boulding's version is of a different level of excellence from practically anything else on the market *Augustine of Hippo, Selected Writings* Saint Augustine (of Hippo), 1984 Gathers selections from St Augustine's autobiographical Confessions sermons on Christian life and the Psalms and his discussion of the secular and Christian views of happiness *Revisions* Saint Augustine (of Hippo), 2010 Space ads in America Commonweal Living Church Living City Feature in A Spirit of Books catalog 120 000 Feature in Theological Best Books catalog 90 000 Extensive review campaign Direct mailings to house list monthly E mail marketing to selected consumer and academic lists [St Augustine of Hippo](#) Gerald Bonner, 1963 This study provides an outline of St Augustine's career and discusses three major fields of his controversial writings against the Manichees who denied the essential goodness of the material creation the Donatists who conceived of the Church only as an assembly of saints and denied that God would operate through a sinful minister and against the British theologian Pelagius and his supporters whose concern for personal holiness and individual responsibility for conduct led

them to deny the Fall and to maintain a theology of divine grace which saw infant baptism as desirable but not essential for salvation Augustine's attacks on Pelagianism initiated a debate which lasted for many centuries and still remains controversial to this day but whatever view is taken with regard to his doctrine his influence has been profound and no serious Christian theologian can afford to ignore the issues which he raised Back cover *On Faith and Works*

Augustinus,1988 Composed in 413 this work refutes certain writings that taught that good works were not necessary to obtain eternal life that faith alone was sufficient for salvation **The Confessions of Saint Augustine, Bishop of Hippo**

(Annotated) Saint Augustine,2021-08-22 Saint Augustine's writings influenced the development of Western philosophy and Western Christianity and he is viewed as one of the most important Church Fathers of the Latin Church in the Patristic Period His many important works include *The City of God* *On Christian Doctrine* and *Confessions* *The Confessions* outlines Saint Augustine's sinful youth and his conversion to Christianity Augustine is recognized as a saint in the Catholic Church the Eastern Orthodox Church and the Anglican Communion The book includes a biography of the author **The Confessions of St. Augustine** Bishop of Hippo Saint Augustine,2022-05-10 *The Confessions* is a spiritual autobiography covering the first 35 years of Augustine's life with particular emphasis on Augustine's spiritual development and how he accepted Christianity *The Confessions* is divided into 13 books Books 1 through 9 contain Augustine's life story Book 10 is an exploration of memory

The Confessions of St. Augustine St Augustine,2022-06-27 The first autobiography ever written and one of the most profound testaments of faith ever This book is the masterpiece from which all other Christian memoirs flow Augustine's astonishing story remains as fresh as it did when he wrote it in the late fourth century *The Confessions* still speaks with a clear vivid and altogether distinctive voice to believers and seekers searching for the One who will give rest to their restless hearts James Martin SJ author of *My Life with the Saints* **Confessions** Saint Augustine,2017-03-18 *Confessions* Latin

Confessiones is the name of an autobiographical work consisting of 13 books by St Augustine of Hippo written in Latin between AD 397 and 400 Modern English translations of it are sometimes published under the title *The Confessions of St Augustine* in order to distinguish the book from other books with similar titles Its original title was *Confessions in Thirteen Books* and it was composed to be read out loud with each book being a complete unit **The Confessions of Saint**

Augustine Saint Augustine,1996-09-01 *The Confessions of St Augustine* has a special place among the world's greatest books As Augustine reflects upon his life in the light of Scripture and the presence of God he reveals how you can find the way to rest securely in Jesus discern good from evil avoid false spiritual pursuits and know the will of God He begins with his infancy pondering the many sins of his life before his conversion and he confesses not only his sins but even more the greatness of God Here is the timeless conflict between good and evil portrayed through the life of one man who found spiritual growth and unshakable faith Just as Augustine did you can experience the unspeakable joy of being pure and righteous before God regardless of your past *The Correspondence (394-419), Between Jerome and Augustine of Hippo*

Saint Jerome, Saint Augustine, Carolinne White, 1990 This translation into English of the extant correspondence between St Jerome at Bethlehem and St Augustine Bishop of Hippo presents these letters written during the years 394-419 in chronological order This volume also contains explanatory notes for each of the 17 letters as well as two letters from Jerome and Augustine relating to their correspondence and an introduction discussing the main themes with which their correspondence deals the relative merits of the Latin version of the Bible from the Septuagint and Jerome's new translation from the Hebrew Old Testament the authority of Scripture and the problem of the origin of the human soul The letters are illuminating for the history of the period when Christians had to combat many heretical movements as well as paganism

The City of God Saint Augustine, David Clarke, 2017-07-02 The City of God is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD The book was in response to allegations that Christianity brought about the decline of Rome and is considered one of Augustine's most important works The City of God is a cornerstone of Western thought expounding on many profound questions of theology such as the suffering of the righteous the existence of evil the conflict between free will and divine omniscience and the doctrine of original sin Augustine is recognized as a saint in the Catholic Church the Eastern Christian Church and the Anglican Communion and as a preeminent Doctor of the Church Many Protestants especially Calvinists and Lutherans consider him to be one of the theological fathers of the Protestant Reformation due to his teachings on salvation and divine grace Lutherans and Martin Luther in particular have held Augustine in preeminence after the Bible and St Paul Luther himself was a member of the Order of the Augustinian Eremites 1505-1521

The Confessions of St Augustine St Augustine, 2016-01-03 In his Confessions Saint Augustine reflects upon his life in the light of scripture and the presence of God He begins with his infancy pondering the many sins of his life before his conversion and he confesses not only his sins but even more the greatness of God This work presents a wonderful contrast between the Holy God who created all things and whom heaven and earth cannot contain and a commonly sinful man who has joyfully received God's loving salvation and mercy Many scholars consider Saint Augustine to be among the greatest and most influential fathers of the early church And as you read his Confessions you will find the confident humility that is common among those whom Jesus calls great in the kingdom of heaven Augustine writes as a common man and so his words span time and tradition May his Confessions guide you to the One whom he confesses

Confessions Saint Augustine (of Hippo), Augustine, 2003 Written in 397 A D St Augustine's classic Confessions reveals the innermost thoughts and struggles of a soul converting from selfishness and pleasure seeking to a life of love for God Augustine of Hippo 345-430 A D was born in North Africa to a devoutly Christian mother and pagan father Of Latin stock Augustine was given Christian instruction but waited until later in life to be baptized Augustine took a mistress who bore him a son before he was eighteen Augustine's sexual appetite drove him to seek pleasure where he could find it but it also plagued his conscience His hunger for religious things led him through many of the belief systems of the day including Manichaeism and Neoplatonism Augustine finally

turned to God in 386 A D when he heard a child say take read a copy of Paul s letter to the Romans Upon his conversion to Christianity Augustine became a prodigious writer with his writings standing second only to the apostle Paul in their impact on the church He died as Bishop of Hippo in North Africa Confessions is the autobiography of Augustine of Hippo a moving and profound record of a human soul and its struggles The most widely read of all his works it not only tells the story of Augustine s struggle in the faith but also his love for the Master Confessions speaks to the heart of humanity about human weakness human frailty human depravity and the human need for a holy God This classic is an exercise in self knowledge and true humility in the atmosphere of grace and reconciliation Book jacket **Confessions** Augustine of hippo,2021-01-01

Confessions is the name of an autobiographical work consisting of 13 books by St Augustine of Hippo written in Latin between AD 397 and 400 The work outlines St Augustine s sinful youth and his conversion to Christianity It is widely seen as the first Western autobiography ever written and was an influential model for Christian writers throughout the following 1 000 years through the Middle Ages It is generally considered one of Augustine s most important texts **The Confessions Of Saint Augustine** Bishop Of Hippo Saint Augustine,2023-05

The Confessions Of Saint Augustine is an autobiographical work by Saint Augustine of Hippo written in the early 5th century AD The book is a series of reflections and meditations on Augustine s life from his childhood in North Africa to his conversion to Christianity and his later years as a bishop Augustine explores his early life as a pagan his struggles with sexual temptation and his eventual conversion to Christianity He reflects on his mother s Christian faith which had a strong influence on him and his intellectual journey through various philosophical and religious systems before ultimately embracing Christianity Throughout the book Augustine reflects on the nature of sin grace and redemption and the role of God in human affairs He explores his own failings and shortcomings as well as the ways in which God has been present in his life guiding and directing him The Confessions Of Saint Augustine is widely regarded as one of the greatest works of Western literature not only for its spiritual insights but also for its vivid portrayal of a complex and multifaceted personality It continues to be read and studied by scholars theologians and lay readers alike and has had a profound impact on Christian theology and spirituality **Of True Religion** Saint Augustine (of Hippo),1959 The Rule of Saint Augustine Augustine,1986-02-21

The oldest monastic Rule in the West A giant of the faith St Augustine is well known as the restless searcher for truth His life and the Rule he formulated have had enduring influence on the Christian ideal of the religious life This is a new modern English translation of the Rule from the original critical Latin text An extensive Commentary elucidates its meaning and its relevance to those who follow or study it today Augustine s concise spiritual directions based heavily on the Scriptures cover such subjects as prayer love and community mutual responsibility service authority and obedience He outlines the basics for exercising genuine love the goal of all things indeed life itself This brief but classic guide is as inspiring and applicable to the twentieth century as it was to Augustine s early followers It clearly reflects his own vision and spiritual depth As Van Bavel observes in his Introduction We could characterize the Rule of

Augustine as a call to the evangelical equality of all people It voices the Christian demand to bring all men and women into full community The Rule of St Augustine is indeed a Rule for all Christians religious and laity alike

Augustine Of Hippo Introduction

In the digital age, access to information has become easier than ever before. The ability to download Augustine Of Hippo has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Augustine Of Hippo has opened up a world of possibilities. Downloading Augustine Of Hippo provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Augustine Of Hippo has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Augustine Of Hippo. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Augustine Of Hippo. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Augustine Of Hippo, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Augustine Of Hippo has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.
