Callirhoe Chariton, 1995 Chariton narrates the adventures of an exceptionally beautiful young bride named Callirhoe beginning with her abduction by pirates adventures that take her as far as the court of the Persian king Artaxerxes and involve shipwrecks several ardent suitors an embarrassing pregnancy the hazards of war and a happy ending Animated dialogue captures dramatic situations and the novelist takes us on picturesque travels His skill makes us enthralled spectators of plots and counterplots at trials and a crucifixion inside a harem among the admiring crowd at weddings and at battles on land and sea

Empty Tomb, Apotheosis, Resurrection John Granger Cook, 2018-09-06 Back cover In this work John Granger Cook argues that there is no fundamental difference between Paul's conception of the resurrection body and that of the Gospels and the resurrection and translation stories of antiquity help explain the willingness of Mediterranean people to accept the Gospel of a risen savior

Constructing Femininity in the Book of Jubilees Chontel Syfox, 2025-07-24 A striking feature of the book of Jubilees is the visibility it gives to women in comparison to Genesis with the matriarchs especially seeming to play an outsized role in the rewriting Utilising approaches drawn from the fields of gender and feminist studies Constructing Femininity in the Book of Jubilees interrogates the motives and priorities that guided the rewriter in his re presentation of the matriarchs asking to what extent the treatment of these characters was unique to this text and its author's attitude towards women or typical of the then literary Zeitgeist

The Trial and Crucifixion of Jesus David W. Chapman, Eckhard J. Schnabel, 2019-01-01 The Trial and Crucifixion of Jesus is a comprehensive sourcebook for those looking to gain a more robust understanding of this event through the eyes of ancient writers Featuring extrabiblical primary texts along with a new translation and commentary by David W Chapman and Eckhard J Schnabel this work is relevant for understanding Jesus last days The significance of Jesus death is apparent from the space that Matthew Mark Luke and John devote to the Passion narrative from the emphasis of many speeches in the book of Acts and from the missionary preaching and the theology of the apostle Paul Exegetical discussions of Jesus trial and death have employed biblical Old Testament and extrabiblical texts in order to understand the events during the Passover of AD 30 that led to Jesus execution by crucifixion The purpose of this book is to publish the primary texts that have been cited in the scholarly literature as relevant for understanding Jesus trial and crucifixion The texts in the first part deal with Jesus trial and interrogation before the Sanhedrin and the texts in the second part concern Jesus trial before Pilate The texts in part three represent crucifixion as a method of execution in antiquity For each document the authors provide the original text Hebrew Aramaic Greek or Latin a

translation and commentary The commentary describes the literary context and the purpose of each document in context before details are clarified along with observations on the contribution of these texts to understanding Jesus trial and crucifixion Chariton, Callirhoe C T Hadavas,2024-06-12 This edition of Chariton s Callirhoe c 50 BCE 100 CE provides readers with the essential lexical grammatical literary historical and cultural assistance to better engage with the world s first extant novel a romance adventure about an extraordinarily beautiful young bride named Callirhoe On one level Chariton s text is simply a compelling story about how Callirhoe s fate becomes intertwined with those of four different men Chaereas of Syracuse her first husband Theron the pirate who abducts her and sells her to Dionysius of Miletus who becomes her second husband and Artaxerxes the king of Persia who becomes infatuated with Callirhoe while presiding over a trial that will determine which of her two Greek husbands holds the more legitimate claim to her Just below the surface of its melodramatic plot however the novel not only explores the standard themes of the Ancient Greek romance adventure genre love jealousy honor duty fidelity and happiness but also touches on the more unusual topics of spousal abuse adultery and slavery What sets Chariton s work apart especially in comparison to the other four surviving Ancient Greek novelists who allocate approximately equal narrative attention to both their male and female protagonists is his greater emphasis on and characterization of his heroine Modeled after both the loyal Penelope and the faithless Helen Callirhoe emerges as a remarkably original and almost modern figure a pregnant teenager forced by separation and slavery into a painfully complex bigamy with no easy solutions who must navigate multiple physical psychological and emotional challenges imposed by the four men who dominate her life **Chariton's Chaereas and Callirhoe** Chariton,1939 *Classical Philology* ,1917

The Myths of Fiction Edmund Cueva,2004-11-29 Only five ancient Greek novels have survived to the present says Cueva and the genre is relegated to the fringe of the literary canon He explores one aspect of this small selection the interrelation of the function of myth and fictional literature and the development of this relationship He argues that the utilization of myth increased as the *Mnemosyne* ,1990 **The Journal of Hellenic Studies** ,1918 **Chariton of Aphrodisias' 'Callirhoe'** Manuel Sanz Morales,2020-03-17 Chariton of Aphrodisias Callirhoe is the first Greek novel transmitted to us in its entirety thanks to a manuscript codex Florentinus Laurentianus Conv Soppr 627 F dated to the end of the 13th century Three papyri ca 200 AD and the so called Codex Thebanus 7th century which is now not extant are witnesses to brief passages of the text A comparison of the text transmitted by F and the papyri with the text of the Thebanus shows significant divergences which cannot always be explained away as ordinary copyist mistakes These divergences are collected in the critical apparatus of this new edition together with the numerous conjectures made by scholars A succinct and full introduction offers the keys to Chariton s language and text In sum this critical edition takes account of the more recent developments in the research on Chariton s text and serves as reference text for the accompanying commentary on this novel by M Baumbach and M Sanz Morales *Arctos* ,1996 *Greek Fiction* Chariton,Longus,2011 **Greco-Roman**

Perspectives on Friendship John T. Fitzgerald, 1997 **On the Road Encounters in Luke-Acts** Octavian D. Baban, 2006
Contemporary reconstructions of Luke's theology of the Way should include in a more conscientious manner the contribution of Luke's post-Easter on the road encounters: the Emmaus, Gaza, and Damascus road narratives. This book argues that Luke follows here the rules of Hellenistic mimesis (imitation), many of which are illustrated in the novels, dramas, and history treatises of his time. Filtering these rules through his own theology and literary taste, he represents in the end the history and the proclamation of the early church in an attractive and challenging manner, inviting his readers to good literature and to captivating spiritual experiences.
