

# CITIZENS' CHARTER

*(please pardon me for grammatical and spelling mistakes—if any)*

A *Citizens' Charter* is a public statement that defines the entitlements of citizens to a specific service, the standards of the service, the conditions to be met by users, and the remedies available to the latter in case of non-compliance of standards.

The spirit behind the Citizen Charter ...

*A customer is the most important visitor to our premises. He is not dependent on us; we are dependent on him. He is not an interruption in our work; he is the purpose of it. He is not an outsider to our business; he is part of it. We are not doing him a favour by serving him; he is doing a favour by giving us an opportunity to do so.*

— Mahatma Gandhi

## 1. EVOLUTION OF CITIZEN CHARTER :

- ❖ In United Kingdom – Prime minister John Major launched the strategy of Citizen Charter in 1991.
- ❖ First report on citizens' charter (1992) - *The Citizens' Charter*
- ❖ Citizens Charter will raise quality, increase choice, secure better value and extend accountability.
- ❖ For too long provider has dominated, and now it is turn of user.

## REVISED PRINCIPLES OF CITIZENS CHARTER, 1998 :

- ❖ Set standards of service
- ❖ To provide Open and full information

Charter Politics Rainer Knopff, Frederick Lee Morton, 1992      **Law, Politics and the Judicial Process in Canada**  
Frederick Lee Morton, 2002 Since the first edition of this popular textbook appeared in 1984 the Charter of Rights and Freedoms has transformed the role of the courts in Canadian politics The book introduces students to issues raised by the new political role of Canadian judges Law Politics and the Judicial Process in Canada features new introductions and new readings that deal with current issues in the realm of Canadian law and politics      Essential Readings in Canadian Constitutional Politics Peter H. Russell, Christian Leuprecht, 2011-01-01 Essential Readings in Canadian Constitutional Politics introduces students scholars and practitioners to classic authors and writings on the principles of the Canadian Constitution as well as to select contemporary material To complement rather than duplicate the state of the field it deals with the Canadian Charter of Rights and Freedoms and with Canadian mega constitutional politics in passing only focusing instead on institutions federalism intergovernmental relations bilingualism and binationalism the judiciary minority rights and constitutional renewal Many of the selections reverberate well beyond Canada's borders making this volume an unrivalled resource for anyone interested in constitutional governance and democratic politics in diverse societies      Civil Rights and the Paradox of Liberal Democracy Bradley C. S. Watson, 1999-01-01 In Civil Rights and the Paradox of Liberal Democracy Bradley Watson demonstrates the paradox of liberal democracy that its cornerstone principles of equality and freedom are principles inherently directed toward undermining it Modernity beyond bringing definition to political equality unleashed a whirlwind of individualism which feeds the soul's basic impulse to rule without limitation including the limitation of consent Here Watson begins his analysis of the foundations of liberalism looking carefully and critically at the moral and political philosophies that justify modern civil rights litigation He goes on to examine the judicial manifestations of the paradox of liberal democracy seeking to bring a broad philosophical coherence to legal decision making in the United States and Canada Finally Watson illuminates the extent to which this decision making is in tension with liberal democracy and outlines proposals for reform      **The Politics of the Charter** Andrew Petter, 2010-01-10 Andrew Petter is a leading constitutional scholar who served from 1991 to 2001 as a British Columbia MLA and cabinet minister including Attorney General In The Politics of the Charter Petter assembles a set of his original essays written over three decades to provide a coherent critique of the political nature impact and legitimacy of the Canadian Charter of Rights and Freedoms Showing how Charter rights have been shaped by the institutional character of the courts and by the ideological demands of liberal legalism the essays contend that the Charter has diverted progressive political energies and facilitated the rise of neo conservatism in Canada Drawing upon his constitutional expertise and political experience Petter evaluates the Charter in practical legal and philosophical terms These essays along with a new introduction and conclusion map out Petter's political philosophy and review the entirety of the Charter record The Politics of the Charter is vividly written free of legal jargon

accessible to a broad readership and will provoke renewed discussion about how best to achieve a more compassionate and egalitarian Canadian society

## **Charter Politics Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Charter Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Charter Politics has opened up a world of possibilities. Downloading Charter Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Charter Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Charter Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Charter Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Charter Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Charter Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
