Charters And Caldicott:

Charters and Caldicott Peter Storey, 2015-10-11 Charters and Caldicott As War Begins First appearing on British cinema screens in 1938 the characters of Charters and Caldicott are amongst film history's most famous and favourite comedy duo From their first appearance in Hitchcock's *The Lady Vanishes* Charters and Caldicott hit a resonance with cinema goers with their charming notes of sarcasm and dry humour This initial popularity resulted in the two characters being reunited in several films throughout the 1940s and early 1950s Full of British idiosyncrasies from a bygone era the two cricket lovers are sticklers for upholding proper standards of dress decorum and behaviour no matter where they are or what predicament they find themselves in Leading characters in *The Lady Vanishes* film they went on to re appear in other classic films including *Night Train To Munich* *Millions Like Us* and *Passport to Pimlico* Charters and Caldicott brilliantly played by Basil Radford and Naunton Wayne had immense popularity and brought a smile and relief to millions of people Created as a means of adding a comedy element to the spy thrillers popular the time the duo appear as a pair of bumbling upper class fools travelling around Europe ambivalent to the events leading up to the start of the Second World War Classic scenes see them sharing a bed in the hotel maid's room in *Bandrika* replaying a cricket game in a railway carriage with sugar cubes and sending a secret message under a doughnut to an undercover British agent To the uninformed it appears as though they were dreamt up by the German high command as a derogatory cameo of British foolishness In reality they reflect the British stiff upper lip in the face of adversity at a time when Britain stood alone in the face of increasing tension across Europe Charters and Caldicott *As War Begins* covers the period in Charters and Caldicott's screen life between 1938 and 1943 covering their first four film appearances *The Lady Vanishes* *Night Train To Munich* *Crook's Tour* and *Millions Like Us* all classic films This book brings together for the very first time all the scenes that they appeared in telling the story of what Charters and Caldicott saw what they said and what they understood to be happening It tells the humorous way that Charters and Caldicott saw the world and the funny and exciting adventures that happened to them during this very turbulent time in world history

Charters & Caldicott Stella Bingham, 1985-01-01 **Cabinet**, 2006 *The Hitler Filmography* Charles P. Mitchell, 2015-07-11 From the time his Nazi regime launched World War II to the present Adolf Hitler has frequently been depicted on film He was largely ridiculed at first since laughter was a powerful weapon and morale booster for nations at war Later representations were more somber and realistic yet Hitler's image never escaped the undertone of scorn This book concentrates exclusively on portrayals of Hitler in feature films and television miniseries The filmography covers films with a factual historical storyline fictional stories alternate histories parodies and films where actors playing Hitler have a cameo Each entry provides production credits an annotated cast list an analysis and synopsis of the film

an evaluation of the actor playing Hitler in terms of the strengths and weaknesses of his portrayal and representative quotations from the film

Charters and Caldicott Stella Bingham, 2015-03-02 Whatever happened to Charters and Caldicott that pair of cricket mad solemn asses from Alfred Hitchcock's classic suspense movie *The Lady Vanishes* Fast forward about fifty years The world has changed beyond recognition but not Charters and Caldicott A little longer in the tooth perhaps they remain dedicated to the manners of the old school enjoying lunch at their gentlemen's club and afternoons watching Agatha Christie movies They are however entirely unprepared for a whodunit of their own when the dead body of a young woman is found in Caldicott's flat stabbed with a Malayan paperknife Pitched on a trail of unexplained deaths are you keeping count of all these Charters and dogged by the fastidious Inspector Snow they attempt to unravel the mysteries around them Why were the handbags switched What does the cryptic message Mix Well and Serve mean And why does the enigmatic Venables a fellow clubman turn up at every twist in their journey This tale of Nazi gold murder and deception features effervescent dialogue and delightful characters especially the eponymous heroes reli of an England already out of date by the 1930s but none the less charming for that Charters Caldicott is a comical lighthearted but lethal treat of a whodunit in which our heroes take their responsibilities seriously but somehow always find as much time for lunch tea or a cocktail as they do for detective work

[A Silence from Hitchcock](#) Murray Pomerance, 2023-02-01 In *A Silence from Hitchcock* Murray Pomerance explores the resonating power of silence in the director's work its variation its haunting temptation and its technical power Working from a meditative devotion to and an illuminating familiarity with the director's work Pomerance shines light upon six films some of them *Notorious* *The Lady Vanishes* and *The Trouble with Harry* frequently even obsessively treated and others *Frenzy* *The Wrong Man* and *Topaz* less often discussed In its strange relation to speech memory urbanity guilt mortality and espionage silence becomes in these films a dramatic protagonist in its own right Written by a master interpreter of Hitchcock this book offers new ways of seeing experiencing and thinking about the films of one of cinema's greatest artists as well as new ways of reflecting on our experience of cinema itself
