## **Chasing Shakespeares A Novel:**

**Chasing Shakespeares** Sarah Smith,2010-05-11 From an author the San Francisco Chronicle hails as daring and splendid comes an exhilarating novel of passion and ideas that cuts to the heart of one of literature s most fascinating and enduring mysteries the enigma of Shakespeare Meet Joe Roper tough minded young graduate student who has been lucky enough to land a job cataloging the famed Kellogg Collection of Elizabethan texts and curiosities Joe s been passionate about Shakespeare since he read a duct taped paperback at age nine and found the witches warriors murders and ghosts as much fun as Stephen King but his working class roots make him a fish out of water in the academic world He is seemingly as far from adventure as it s possible to be until the delicious Posy Gould enters stage right A glamorous rising star at Harvard she insists that a letter Joe has found signed by one W Shakespeare of Stratford is a career making discovery for them both because the letter says Shakespeare didn t write the plays To Joe s mind the letter is a forgery When Posy insists they test it the two literary sleuths head for England to prove their clashing theories But they find themselves in a world where the London Eye looks out over Shakespeare s city Hollywood producers rub elbows with Elizabethan spies and mystery shadows the heart of Westminster Abbey and the lanes of rural England And Joe and Posy find that when you start chasing Shakespeares what you find is not only who he was but who you are and how far you re willing to go A first rate mystery from one of the masters of the genre *Chasing Shakespeares* is also a literary shell game a love story and a profound meditation on identity and ownership Sarah Smith has created a novel that rivals A S Byatt s *Possession* in its rich and fast moving blend of literary history and page turning suspense

*Chasing Shakespeares* Sarah Smith,2022-03-17 Two graduate students not alike in dignity Joe Roper is a poor boy from Vermont an aspiring Shakespeare biographer who s found a letter from William Shakespeare saying he didn t write the plays Posy s a Hollywood producer s daughter from Harvard She s never met a high concept she didn t like and she likes this one Posy wants to expose Shakespeare as a fraud and make the movie Joe wants to save Shakespeare The two literary sleuths head for London to prove their clashing theories But they find themselves in a world where the London Eye looks out over Shakespeare s city Hollywood producers rub elbows with Elizabethan spies and mystery shadows the heart of Westminster Abbey and the lanes of rural England And Joe and Posy find that when you start chasing Shakespeares what you find is not only who he was but who you are and how far you re willing to go

*Chasing Shakespeares* Sarah Smith,2004-05-18 With this exhilarating novel from the author the San Francisco Chronicle calls daring and splendid Sarah Smith cuts to the heart of one of literature s most fascinating and enduring mysteries the enigma of Sir William Shakespeare Meet Joe Roper a thoroughly modern graduate student who has landed the job of a lifetime working in the famed Kellogg Collection of Elizabethan texts and curiosities He s been passionate about Shakespeare since reading a duct taped paperback copy of *Macbeth* as a kid But if all the world s a stage Joe s working class roots do little to prepare him for his role in the academic arena Enter Posy Gould stage right A glamorous rising star at Harvard she insists that a letter Joe

s found signed by one W Shakespeare of Stratford is a career making discovery for them both particularly because the letter suggests that the plays were not written from Shakespeare s quill What follows is a literary adventure story that places Joe and Posy in a world where the London Eye looks out over Shakespeare s city Hollywood producers rub elbows with the Queen s court and an unsolved mystery spans across five centuries and two continents A first rate thriller from one of the masters of the genre *Chasing Shakespeares* is also an enduring tale about love art and poetic justice *Chasing Shakespeare* RLK,2021-04-02 *Chasing Shakespeare* By RLK Janice Gardner as a reporter seeks only truth all the while searching for the elusive author A Shakespeare Her adventures take the reader to such places as the Middle East Africa and America Share her adventures with family and lovers along with heartbreaks and good times But the past would become her biggest challenge both personally and professionally Review *Chasing Shakespeare* RLK Dorrance Publishing 386pp 978 1 64804 399 4 Clarion Rating 3 out of 5 A journalist travels the world covering a range of events in the action driven novel *Chasing Shakespeare* While tracking a renowned author a reporter uncovers corruption in RLK s suspenseful novel *Chasing Shakespeare* For her next big story Janice heads to a small town in search of an author whom other journalists have been unable to find At the place she thought the author might be staying she meets a senator s wife who is hiding from her abusive husband The senator she learns is involved in corruption After his case is made public Janice is sent to a secret military base in the Middle East where she is to provide firsthand reports of events related to the base The novel moves with speed between its different incidents including an armed resistance movement organized by rebels in a fictional African country a feud between nations and an investigation into the disappearance of a Seneca tribe during the American Revolution These unrelated threads result in many narrative surprises including a blast that kills numerous soldiers in the Middle East and a fatal clash that leaves many wounded and dead Later Janice s interview with a criminal reveals a concealed base for a powerful drug cartel she also speaks with a survivor of human trafficking *Cliffhanger* chapter endings increase the sense of suspense as when Janice is stopped by the FBI after leaving the senator s wife with news about the death and the planned burial location of a close friend and with Janice s notification of interview requests from former presidents Janice is constructed most in terms of these experiences and not far beyond them though the book also incorporates evidence of her romantic relationships and hints of her past The book s secondary characters back her up well including Randy her loyal cameraman and Frank and Leone whom Janice meets while seeking the author and with whom she develops a family like bond even coming to view Frank s daughter as a sister Still the novel rushes through its many events with such speed that emotional connections to its characters and situations are impeded Details that are essential to understanding the sped through events are handled in a too casual manner as well so that significant information is often buried and obscured The book evades thorough narrative development in the service of excitement and its many disparate events are not made to tie together beyond Janice s experiences of them A journalist travels the world covering a range of events in the action driven
