## **Chasing Tiger:**

*Chasing Tiger* Curt Sampson, 2002-06-03 All eat from the bowl of life Tiger Woods just has a bigger spoon So writes Curt Sampson in his ground breaking account of the current state of golf Tiger Woods has changed golf forever His mix of power and skill combines with his extraordinary business savvy to make Woods the biggest global sports figure since Michael Jordan Like Jordan Woods competitive signature is equal parts inspiration and intimidation But what about the other guys It s either catch up or give up for the rest of the golfing world and in *Chasing Tiger* Curt Sampson exuberantly charts the state of the game as the new century unfolds There are Duval and Mickelson and a host of other stars of course but there are also the junior golfers and their parents corporate America agents instructors fans and the media Just as he did in his controversial bestsellers *Hogan* and *The Masters* Sampson digs deep to uncover stories that wouldn t otherwise be told There s the golf course employee in Austin whose admiration for Woods leads him to spend every waking minute mimicking his hero including the trademark pumping fist only here it s on the practice green There s the awestruck unemployed talk show host who stretches the bounds of good taste and hero worship with his Web site Tigerwoodsiscod.com At the other end of the scale is Charles Howell III skinny as a 2 iron a up and coming player who has been tapped by Jack Nicklaus to be the next great challenge to Woods Howell is the anti Tiger a man unfailingly friendly to fans and media recently married opinionated and entirely lacking in caution yet he struggles to earn enough money to make the Tour Curt Sampson has written an affectionate yet wary account of one extraordinary man s impact on the world of sport By turns moving hilarious and eye opening *Chasing Tiger* is a wonderful addition to the golf canon

**Tiger Hunting Stories** K. Pradeep Chandra, 2019-05-15 An IAS officer s must read anecdotal account of how official karma prevails over personal dharma Y V Reddy former RBI governor India is famous for Jim Corbett s tales of hunting man eaters in the Kumaon region Equally fascinating are the tiger hunting tales that senior bureaucrats recount of achievements real and imagined when they look back on their career K Pradeep Chandra has many stories of this kind to tell and for those interested in the IAS they are of immense use From a career that spanned thirty four years there are examples of fighting corruption ignorance and casteism There are also problems that defy solution an old woman whose insistence on division of land results in a tragedy an attempt to find an acceptable solution to ownership of shifting lanka island lands in Rajahmundry And there is

a taut chapter on a prolonged negotiation with naxalites when lives of fellow officers are at stake a lesson that a course book may not offer Pradeep Chandra also shares about the challenges of working with powerful politicians like N T Rama Rao Chandrababu Naidu and K Chandrasekhar Rao At the beginning of his career his father had told him If you can make a concrete difference in the lives of 100 poor people you would have some meaning in your life As the author discovered this was perhaps the hardest thing to accomplish and what gave his work the truest value **Chasing Tiger** Glenn
