s book has done with simplicity illustrating how growth really works Hisham Farouk Board of Governors Member Grant Thornton International Ltd It s not often that somebody like Nader Sabry comes along His book Ready Set Growth Hack matches his extensive business and technical knowledge with an accessible easy to read style that engages and entertains Full of examples and real world applications Sabry s book should be a must read for every organization that wants to grow Stephen Johnston Fortune 500 Business Writing and Presentation Trainer Complete Communications Growth is the challenge of every company this book gives every executive at every level a blueprint on how to collaborate their part in whole growth engine Neil Walters Senior Partner McGrill Consulting Group Inc The fact that anyone can 10x their growth is a powerful idea but what is even more powerful is when a master shows you the way and this is what this book is about Rohit Bassi the author of Living Through Self Compassion Illuminate Your Life With Peace Trust Faith Unshackle Yourself From Quiet Desperation Depression Destruction My go to book on growth Nader has done an excellent job in demystifying the mysterious techniques behind some of the fastest growing companies globally Marcel Sarousa Vice President McGrill Consulting Group Inc *GHOST INCOME - Zero Followers, Zero Excuses* Kyle Patterson, Make money with AI in 2026 no audience needed The complete beginner s guide to AI side hustles passive income and Ghost Income from day one Most people trying to make money with AI in 2026 are doing it completely wrong and the proof is in how little they are actually earning They are building audiences Creating content Posting daily Waiting for algorithms to reward them Studying personal branding And after months of effort they are generating a fraction of what a small quiet growing group of completely invisible operators are earning every single month without a single follower a single post or a single person knowing their name Ghost Income Zero Followers Zero Excuses is the book that exposes how this invisible group operates and gives you the complete step by step system to join them starting from absolute zero using AI tools that cost less than a monthly streaming subscription This is the most practical verified beginner friendly guide to making money with AI tools published in 2026 Not theory Not inspiration A real operational blueprint built around what is actually working right now in the real market tested proven and organized into a system any motivated person can follow regardless of their background their location or how many people follow them online If you have been searching for a genuine AI side hustle for beginners that produces real income without requiring you to become a public figure first you have found it If you have spent time wondering how to make money online without social media without the exhausting performance of daily posting audience building and algorithm management this book was written specifically to answer that question with something far more valuable than general advice a complete specific working system Here is what that system is built on The creator economy convinced millions of people that visibility is a prerequisite for income It is not The market does not pay for visibility It pays for outcomes for useful content effective copy clear communication professional documentation and the dozens of other deliverables that real businesses with real budgets pay for every single month regardless of whether the person producing

them has a following or a face anyone recognizes Ghost Income is the first comprehensive guide to capturing this income systematically using AI tools for earning money from home that turn hours of skilled work into minutes of directed output and minutes of directed output into thousands of dollars of monthly income Inside this book you will find eleven complete chapters and a bonus income grid covering every dimension of the Ghost Income system The AI Leverage Stack the exact combination of free and low cost tools that creates a personal money engine producing professional grade work in minutes This is not a list of apps It is a system specifically the combination of language models research tools refinement tools and delivery tools that work together to produce output worth paying for consistently without requiring technical expertise or a design background The Ghost Services Model the specific method for identifying and landing paying clients in the most underserved and highest paying market in today s digital economy small and medium sized businesses that need professional content communication and documentation services and cannot afford agencies to provide them This section covers the ten services you can offer today with no portfolio and no prior professional experience in the field how to price them correctly and how to land the first client without a website a brand or a single social media post The Faceless Arbitrage Playbook one of the most beginner friendly income models in the book built around the gap between what AI tools can produce at near zero cost and what the market pays for that output when it is properly packaged and positioned on platforms where motivated buyers are already searching This is passive income with AI tools in its most accessible form income that does not require a client relationship a social media presence or any ongoing interaction with the buyer after the product is listed Zero Audience Publishing the complete underground playbook for generating royalty income from books guides and reports that nobody knows you wrote published on Google Play Books Amazon KDP and Apple Books using AI assisted production workflows that compress months of traditional writing work into days This section includes the exact metadata strategy keyword research process pricing framework and platform sequencing that gets new titles found and purchased without a single promotional effort the closest thing to genuine self publishing AI books passive income that a verified working method can offer The Ghost Funnel a complete client pipeline system that builds predictable monthly income without social media without cold calling and without a website This is the system that replaces traditional marketing funnels for a beginner Ghost Operator built around the specific places where small business buyers are already discussing their problems and actively looking for someone to solve them Prompt Architecture for Profit the technical and practical guide to engineering AI outputs that are genuinely worth paying for This is the section that most directly determines how much a Ghost Operator earns because the quality gap between operators who use AI well and operators who use it poorly is almost entirely determined by the quality of the instructions they give it This section closes that gap permanently The Recurring Ghost the complete system for converting one time project clients into predictable monthly retainer income including the specific trigger moments that signal a client is ready to commit to a monthly arrangement and the retainer package structures that renew automatically

without being re sold Scaling Invisible the operational guide to growing income without growing hours without hiring a team and without ever showing up publicly This section covers automation multi stream management and the business dashboard system that tells a Ghost Operator exactly what is working and what to cut The Niche Ghost Strategy how to dominate a specific micro market with AI before anyone else arrives building the kind of specialist positioning that commands premium rates and generates automatic referrals without any content marketing or audience building investment The 30 Day 1 000 Execution Map a specific day by day action plan for earning the first 1 000 with AI tools starting from absolute zero today Not a motivational framework A specific sequence of daily actions decisions and deliverables that produces first income within thirty days for the majority of people who follow it And an exclusive bonus chapter covering the AI money grid the little known platforms daily earning systems and hidden income streams that represent some of the most accessible and least discussed AI automation income streams available in 2026 This chapter covers AI image stock platforms that pay royalties on every download writing revenue share platforms AI training data companies paying 15 to 40 per hour for writing and evaluation tasks audio content marketplaces and digital product platforms each with specific steps earning estimates and daily workflow integration guidance These are not speculative income streams They are operational verified and paying today The result of applying this complete system A Ghost Operator with a mature well running Ghost Income operation generates between 5 000 and 15 000 per month from a combination of active service retainers and passive income streams working 20 to 35 hours per week from any location without a public profile a social media following or a professional website These numbers are not projections from a sales page They are documented outcomes from real operators running the model described in this book in the real market as of 2026 This book is written for the person who Is done waiting for an audience to build before income is allowed to arrive Wants a proven specific system for making money with AI 2026 rather than vague inspiration and general advice Has explored ChatGPT make money online opportunities and wants the complete operational framework for turning that exploration into a functioning income system Is a freelancer a career transitioner a stay at home parent a recent graduate or anyone in between who is ready to build real income on their own terms Wants the honest unglamorous genuinely effective alternative to the creator economy s audience first model specifically the AI freelancing remote work 2026 opportunity that is growing faster than almost anyone is publicly acknowledging This book is not written for the person who Wants passive income that requires zero effort to establish Is looking to build a personal brand and become a recognized thought leader Is not willing to invest thirty focused days in applying a proven system before evaluating whether it works The digital nomad income AI 2026 opportunity is real The AI powered solo operator market is real The demand from small businesses professional services firms and individual creators for affordable high quality AI assisted content and communication services is real growing and nowhere near saturation in the niches described in this book What has been missing until now is a complete practical step by step guide written specifically for the person starting from zero

without an audience without a portfolio and without a personal brand who simply wants to know what do I do in what order starting tomorrow morning to build something real Ghost Income is that guide The people earning the most from AI in 2026 are not the loudest They are the most systematic The most consistent The most willing to follow a proven model rather than chase viral moments that may never come They are Ghost Operators And after reading this book so are you Executive's Guide to Web Services (SOA, Service-Oriented Architecture) Eric A.
