like Rainbow Williams Rain isn't afraid of dying. In fact, she's looking forward to it. If she can just outrun her pain until April 23, she'll never have to feel it at all.

Supplies Shelter Wes Parker has survived every horrible thing this life has thrown at him with nothing more than his resourcefulness and disarming good looks. Why should the end of the world be any different? All he needs are some basic supplies, shelter, and a sucker willing to help him out, which is exactly what he finds when he returns to his hometown of Franklin Springs. As society crumbles, dangers mount, and secrets refuse to stay buried, two lost souls are thrust together in a twist of fate: one who will do anything to survive and one who can't wait to die. Perhaps together they can learn how to live. Before their time runs out.

T M Frazier USA Today Bestselling Author. The world was supposed to end on April 23, but Rainbow Williams's world ended days before that. The mass hysteria caused by the impending apocalypse claimed everything she'd ever loved: Her family, Her city, Her will to live. Until she met him, Wes Parker didn't have anything left for the apocalypse to take; he'd already lost it all by the time he was nine years old. His family, His home, His hope of ever being loved. Until he met her. Brought together by fate and bound by a love that would last lifetimes, Rain and Wes were prepared to die together on April 23. They were not prepared for what
