National Union Catalog Subcommittee,1969 *The Scottish Geographical Magazine* ,1907 **Between Worlds** Yasna Bozhkova,2022-07-07 This book provides a new critical reappraisal of the work of modernist writer and artist Mina Loy Primarily known for her daring and difficult poems Loy was also the author of a dazzling variety of other literary and visual artworks in different genres and media My reading demonstrates the richness and complexity of her work beyond the more often explored path from Futurism to Dada to Surrealism emphasizing the importance of her perpetual travel between disparate aesthetics Engaging in a close analysis of her poetry essays manifestoes and novel Insel I unearth a multiplicity of hidden literary and pictorial intertexts in her works Tracing the origins of Loy s often puzzling imagery I examine the complex strategies of collage condensation distortion and displacement through which she conflates multiple allusions in enigmatic constellations I challenge T S Eliot s claim that Loy lacks an uvre claiming that there is an aesthetic project or at least a paradoxical unity in her famously fragmented work I

show how her writings critically engage with the turbulence of avant garde innovation of her time pinpointing the essential ephemerality of the avant gardes and their tendency to become dogmatic ideologies Through a perpetual shift of the aesthetic paradigm Loy s work creates dialogic exchanges between different experimental aesthetic programs Thus the book positions Loy not only as an important artist but also as a major theorist of modernist and avant garde aesthetics
