Baker Encyclopedia of the Bible Walter A. Elwell,1988 *At-Home Seminary* Rich O'Brien,2025-07-15 My goal upon entering Moody's MABS program was then as it is now to know God better and to love Him more Before completing the program I began praying to know what God had in mind for me next While praying I realized that some if not much of the biblical knowledge I had recently gained would likely slip from my mind if I did not take steps to prevent that I was then led to compile my written assignments into a well organized anthology As I prayerfully worked on that project I realized that the finished product could well serve as a Christian discipleship or small group study That led me to prayerfully consider making the project available to everyone Now along with WestBow Press I am blessed to invite you to embark on a journey through your own At Home Seminary Three Monotheistic Faiths – Judaism, Christianity, Islam Dr. Andrea C. Paterson,2009-05-21 This book is a synopsis of three monotheistic faiths Judaism Christianity and Islam their common areas and their differences The authors desire To show why she believes and to also prove that of the three main faiths existing in the world today Christianity a true and right personal relationship with Christ is the only vehicle to God It is only through Jesus Christ God's Son that we find our way to Him John 14:6 *Legion* Shadia Hrichi,2019-10-08 Witness the Divine Power of Jesus That Transforms a Demoniac into a Disciple Legion a man known only by the name of the demons that tormented him is not a famous person in the Bible Do you know his story Climb into the boat and follow Jesus on his mission of rescue and then celebrate the ways that God's sovereign power and relentless love can bring deliverance to any wounded soul including yours Sometimes we feel trapped and alone But there is nothing that God cannot overcome Through this six week in depth Bible study you will discover how God is working to bring redemption and deliverance to your life **Majoring in the Minors** Richard A. Gallo,2021-07-05 If you or someone you know has never experienced racism bigotry injustice abuse or domestic violence then this book is not for you But if you or someone you know has been such a victim and suffered from such societal evils then perhaps you are not reading these words by chance Perhaps God has brought you to this moment to make a difference for deep down in your heart you know that this is fundamentally wrong And just maybe God through his Spirit has brought you to this very moment to say Enough is enough and start doing something to begin eliminating racism bigotry injustice abuse and domestic violence Rev Gallo lays out a twelve step process that he has termed A Blueprint of Hope from a Christian Perspective Utilizing twelve messages or themes of hope one from each of the minor prophets as well as the teachings of Jesus he formulates a plan This plan incorporates both small group ministry within the local church and neighborhood outreach to the surrounding community where these societal evils rear their ugly heads and have devastated individuals for generations These twelve messages as well as a unique perspective and insights that he has gained over forty two years of police work and active ministry he formulates a blueprint of hope that encourages individuals to catch a vision of what might be if people begin to look at each other through eyes of love and hope rather than hate and despair Exodus

Rebecca Bender, 2022-04-12 Lessons from the book of Exodus learn how to stop walking in circles and rely on God's grace to show you the way to his good promise Do you wonder if you'll ever get back on track after suffering a major setback or traumatic experience Do you wonder even secretly if God actually does keep his promises Or if his love is far reaching enough his plan detailed enough to include even your daily struggles habits and hang ups In this Bible study Rebecca Bender takes study groups and individuals straight into the book of Exodus where the Israelites are wandering after their own tracks immediately after escaping from bondage and oppression at the hands of Pharaoh God is trying to get them to the land of his promise but they like many of us are frustrated by doubts fears and self destructive habits This study guide will equip you to See Exodus in a new and relatable way that will help you better understand God and yourself Understand the historical and cultural nuances of Egypt to give you fresh insight into this powerful story Learn applicable tips from the children of Israel by understanding what they did right and what they did wrong in order to reach their goals Move beyond your own past and into your promises Get back on track after experiencing a major setback in life or enduring a traumatic event God has called you out of bondage to sin to doubt to defeat and into his Promised Land that flows with his grace and truth This study guide includes biblical and historical background insights practical application group discussion questions and a memory verse for each chapter
