

The cover features a dark, atmospheric photograph of a sailboat on a body of water at sunset or sunrise. The sun is a bright, glowing orb in the upper right, casting a long, shimmering golden reflection across the water's surface. The sailboat is silhouetted against the dark water, with its sails partially visible. In the foreground on the right, the dark, spiky leaves of a palm tree are visible, partially obscuring the view of the water. The overall mood is serene and historical.

The Concise Bible Atlas J. Carl Laney, 1988 The God of Small Places Glenn Daman, Jeffrey Clark, 2026-02-13 The rural church is facing a crisis Churches are struggling to find pastors and many are being closed by denominations that would rather focus their resources on urban ministries As a result rural communities are becoming a spiritual wasteland where people are unreached with the gospel and a gospel driven church is no longer present to give them the hope of salvation Today there is a need for a new theological vision for rural ministry that sees rural ministry as an expression of the Great Commission and an outgrowth of God's character The purpose of this book is to develop a theological vision for rural ministry by describing how the theology of God's character and purpose gives purpose vision and perspective for rural churches and communities It serves a clarion call for a new vision for the spiritual transformation of rural communities that is grounded in an understanding of God and his desire for the salvation of rural people Lexham Geographic Commentary on the Historical Books, Volume 1 (Lexham Geographic Commentary) Barry J. Beitzel, 2025-12-16 Following Joshua's conquest to the time of the judges Study the land in which the stories of Joshua Judges and Ruth took place Learn how geographic and cultural factors can provide theological insights Visualize the promised land through full color maps and photos Joshua led Israel to conquer a real historic land and the judges delivered Israel from real historic enemies When we understand geographic and cultural features of the Bible we experience its stories with fresh eyes Why did Joshua attack the cities he did Why are Dan and Beersheba so regularly paired What is the significance of Samson's battles in the Shephelah Written by a team of experts on biblical geography and culture the Lexham Geographic Commentary on the Historical Books Volume 1 is a guide to the world of Israel in the promised land Each article addresses a particular story event or subject in Judges through Ruth with full color maps and photos providing deeper layers of context Historical and cultural insights give readers a richer understanding of the biblical story *The World and the Word* Eugene H.
