Bakers Dictionary Of Christian Ethics:

Baker's Dictionary of Christian Ethics Carl Ferdinand Howard Henry, 1978 **Baker's Dictionary of Christian Ethics**, 1975 **Dictionary of Scripture and Ethics** Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11

Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics Christian Ethics Reginald Ernest Oscar White, 1994 Christian Ethics (Revised Edition) Wayne Grudem, 2024-09-18

What Does the Bible Teach about How to Live in Today's World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God's will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches readers how to protect 7 central tenets of God's law God's honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6 **Philosophical Perspectives on the "War on Terrorism"**, 2007-01-01

This book responds to the Bush Administration position on the war on terror It examines preemption within the context of just war justification for the United States led invasion of Iraq with some authors charging that its tactics serve to increase terror global terrorism and concepts such as reconciliation Islamic identity nationalism and intervention **Christian Ethics** William M. Tillman, Timothy D. Gilbert, 1986 An introduction to the basic concepts and areas of concern of Christian ethics The use of case studies life situations discussions questions suggestions for further reading and personal small group activities enables the reader to experience ethics first hand **Living as the Living Jesus** Kenneth W. M. Wozniak, 2021-02-02

One objective all Christians hold in common is to grow in maturity and faithfulness Achieving that goal however is a constant and difficult challenge Ethicist Kenneth W M Wozniak shows how the author of the epistle to the Hebrews argued that the mature Christian life is a disciplined one lived consistently in the moral realm of human experience Although the authority for such living traditionally has been the picture of Jesus as found in the Gospels that picture is only a partial and incomplete one It does not include Hebrews essential depiction of the current living Jesus both exalted Son and High Priest who is the focus of worship and whom Christians claim to follow Wozniak argues that only the often ignored Jesus

of Hebrews when coupled with the Jesus pictured in the Gospels is the complete Jesus Christians must obey emulate and implant within themselves if they are to live as mature followers of Jesus it is to this Jesus that they must respond if they are to live faithfully as those who claim Jesus is Lord
