Baker's Dozen Leon Garfield,1976 A Baker's Dozen Plus Two Jerry Travis,2006-10-31 *The Baker's Dozen* ,2002

Baker's Dozen Leon Garfield,1973 Leon Garfield has brought together a collection of stories by some of today s finest writers It is a book not just for the twelve year old but for the entire family with stories ranging from the atmospheric ghost story to the slapstick family comedy **Baker's Dozen** Leon Garfield,1976-01-01 **The New Cambridge Bibliography**

of English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Storytelling** Janice M. Del Negro,2021-06-24 This book serves as both a textbook and

reference for faculty and students in LIS courses on storytelling and a professional guide for practicing librarians particularly youth services librarians in public and school libraries Storytelling Art and Technique serves professors students and practitioners alike as a textbook reference and professional guide It provides practical instruction and concrete examples of how to use the power of story to build literacy and presentation skills as well as to create community in those same educational spaces This text illustrates the value of storytelling covers the history of storytelling in libraries and offers valuable guidance for bringing stories to contemporary listeners with detailed instructions on the selection preparation and presentation of stories It also provides guidance around the planning and administration of a storytelling program Topics include digital storytelling open mics and slams and the neuroscience of storytelling An extensive and helpful section of resources for the storyteller is included in an expanded Part V of this edition
