Bakhtin And The Classics Rethinking Theory Ser:

The Talmud - A Personal Take Daniel Boyarin,2018-01-15 This collection of Daniel Boyarin s previously uncollected essays on the Talmud represents the different methods and lines of inquiry that have animated his work on that text over the last four decades Ranging and changing from linguistic work to work on sex and gender to the relations between formative Judaism and Christianity to the literary genres of the Talmud in the Hellenistic context he gives an account of multiple questions and provocations to which that prodigious book gives stimulation showing how the Talmud can contribute to all of these fields The book opens up possibilities for study of the Talmud using historical classical philological anthropological cultural studies gender and literary theory and criticism As a kind of intellectual autobiography it is a record of the alarms and excursions of a life in the Talmud

Bakhtin and the Classics Robert Bracht Branham,2002 The authors eminent classicists and distinguished critics of Bakhtin put Bakhtin into dialogue with the classics and classicists into dialogue with Bakhtin Each essay offers a critical account of an important aspect of Bakhtin s thought and then examines the value of his approach in the context of a significant area of literary or cultural history Beginning with an overview of Bakhtin s notion of carnival laughter perhaps his central critical concept the volume explores Bakhtin s thought and writing in relation to Homer s epic verse and Catullus s lyric poetry ancient Roman novels and Greek philosophy from Aristotle s theory of narrative to the work of Antiphon the Sophist

Onslaught against Innocence Andre LaCocque,2010-06-24 This is a literary critical analysis of the myth of Cain and Abel masterfully related in Genesis 4 by the Yahwist probably the greatest storyteller in the Hebrew Bible The Yahwist narrates the initial slaughter of one human being by another and strikingly it is described as fratricidal The book explores the anthropological theological and psychological dimensions of this universal myth and shows the readers such a vivid and intense story that one feels like will never get to the bottom of it Thus after a deep reading this well known story is much more than what could seem at first sight it can be said to be the portrait of human that is always torn between the innocence of Eden and its denial between what is considered doing well and not doing well

Aristophanes and His Tragic Muse Stephanie Nelson,2016-02-15 Despite the many studies of Greek comedy and tragedy separately scholarship has generally neglected the relation of the two And yet the genres developed together were performed together and influenced each other to the extent of becoming polar opposites In *Aristophanes and His Tragic Muse* Stephanie Nelson considers this opposition through an analysis of how the genres developed by looking at the tragic and comic elements in satyr drama and by contrasting specific Aristophanes plays with tragedies on similar themes such as the individual the polis and the gods The study reveals that tragedy s focus on necessity and a quest for meaning complements a neglected but critical element in Athenian comedy its interest in freedom and the ambivalence of its incompatible visions of reality

separately **Tracing the Trails in the Medieval World** Albrecht Classen, 2020-10-11 Every human being knows that we are walking through life following trails whether we are aware of them or not Medieval poets from the anonymous composer of Beowulf to Marie de France Hartmann von Aue Gottfried von Strassburg and Guillaume de Lorris to Petrarch and Heinrich Kaufringer predicated their works on the notion of the trail and elaborated on its epistemological function We can grasp here an essential concept that determines much of medieval and early modern European literature and philosophy addressing the direction which all protagonists pursue as powerfully illustrated also by the anonymous poets of Herzog Ernst and Sir Gawain and the Green Knight Dante's Divina Commedia in fact proves to be one of the most explicit poetic manifestations of the fundamental idea of the trail but we find strong parallels also in powerful contemporary works such as Guillaume de Deguileville's *Plerinage de la vie humaine* and in many mystical tracts *Forthcoming Books* Rose Arny, 2002 *Working Psychoanalytically with Gender Diversity and Sexualities* Frances Thomson-Salo, Marco Posadas, Silvia R. Acosta, 2025-09-30 *Working Psychoanalytically with Gender Diversity and Sexualities* considers and challenges expectations about psychoanalytic work with LGBTQIA patients The book is organised into three parts starting with a theoretical review which includes a discussion of the relevance of the Oedipus complex resistance to infantile sexuality the conquest of otherness and challenges in maintaining neutrality Secondly the contributors approach an ethical dimension with chapters describing different moments in the way in which psychoanalysts engage with ethical responsibility in the face of gender and sexual diversity The third part of the book considers an ontological dimension that incorporates fluidity as a condition of the subject as an object of study and includes factors such as race and generational status emergence of stigmas and a particular focus on the concept of helplessness The contributors offer insight into countertransference reactions and responses in clinical work ensuring that analysts can work with these patients without preconceptions standing in the way Extending an opportunity to air conflicting psychoanalytic views and rethink established psychoanalytic concepts this book will be key reading for psychoanalysts and psychotherapists in practice and in training It will also be of interest to academics and students of psychoanalytic studies and gender studies *American Book Publishing Record*, 2003 *The Theory of Educational Technology* Rupert Wegerif, Louis Major, 2023-12-22 Educational technology is controversial some see it as essential to providing free global learning others view it as a dangerous distraction that undermines good education In both instances most theories that have previously been applied to educational technology do not account for the distinctive nature and vast potential of technology This book addresses this issue exploring how education has been bound up with technology from the beginning and recognising that educational aims have already been shaped by technologies Offering a dialogic theory of educational technology Rupert Wegerif and Louis Major respond to contemporary challenges to education within this book including but not limited to climate change misinformation on the internet and the impact of Artificial Intelligence Chapters introduce discuss and contextualise key theories and illustrate through case studies their uses within a diverse

range of educational contexts spanning from primary education to adult lifelong learning Each chapter also concludes with a short summary demonstrating how these theories translate to practical implications for design A fascinating response to current developments in educational technology this is a crucial read for all involved in creating researching or making decisions about the use of technologies within educational contexts The British National Bibliography Arthur James Wells,2002 Canadian Slavonic Papers ,1996 **The Book Review Digest** ,2003 Whitaker's Books in Print ,1998

Rethinking Bakhtin Gary Saul Morson,Caryl Emerson,1989 The essays in Rethinking Bakhtin Extensions and Challenges extend Bakhtin s concepts in important new directions and challenge Bakhtin s own use of his most cherished ideas Four sets of paired essays explore the theory of parody the relation of de Man s poetics to Bakhtin s dialogics Bakhtin s approach to Tolstoy and ideological literature generally and the dangers of dialogue not only in practice but also as an ideal

Literature Criticism from 1400 to 1800 ,2003 **The Rhetoric and Ideology of Genre** Richard M. Coe,Lorelei Lingard,Tatiana Teslenko,2002 This book takes up issues of current concern in composition studies sociolinguistics and ESL issues concerning academic literacy critical literacy expressive versus cognitive approaches to the teaching of writing and the like It does so in a practical experiential way drawing on events in classrooms in universities in South Africa and the United States The contrast between the South African context and the American as well as their surprising parallels highlight certain questions concerning the teaching of literacy in a dramatic way so that theory and practice are brought together In contrast to writing programs that follow a textbook or a planned sequence of study the authors describe a narrative pedagogy that encourages students to find a direction and choose activities suggested by their own concerns and ongoing lives Publisher **Comparative Literature** ,1989
