Braddy,2022-08-16 A church without discipleship is just a gathering It is an important distinction that many pastors and
leaders have known for years In leading their churches well pastors have provided a trustworthy curriculum enlisted gifted
teachers and have made sure to offer times for members to gather and fellowship with each other However amid all these
gatherings one question kept popping up among leaders How do we know if what we are doing is working Over the years
leaders have tried to answer this question with numbers If people attended these groups and seemed to enjoy the material
then they must be finding success Ken Braddy the director of Sunday school for Lifeway Christian Resources felt that there
had to be a better way to measure what matters In Breakthrough Ken guides leaders to measure their groups by observing if
they are discipling each other if they are caring for others in and outside of their group and if they are engaging in acts of
service Breakthrough offers a new scorecard for leaders to not only track the progress of their groups but measure their
