ballades into modern thieves slang were marvels of dexterity Mr Swinburne wrote a serious ballade but the form I venture to think is not wholly serious of its nature in modern days and he did not persevere Nor did the taste for these trifles long endure A good ballade is almost as rare as a good sonnet but a middling ballade is almost as easily written as the majority of sonnets Either form readily becomes mechanical cheap and facile I have heard Mr George Meredith improvise a sonnet a Petrarchian sonnet obedient to the rules without pen and paper He spoke and the numbers came he sonneted as easily as a living poet in his Eton days improvised Latin elegiacs and Greek hexameters *32 Ballads in Blue China* Andrew Lang,1885

Ballads in Blue China and Verses Andrew Lang,2024-02-29 What happens when the vibrant hues of Chinese porcelain inspire the verses of a Scottish poet Andrew Lang's *Ballads in Blue China and Verses* offers a richly woven tapestry of poetic expression weaving together the allure of the East with the lyrical traditions of the West Set against the backdrop of the late 19th century this collection captures the imagination of a world on the brink of modernity where the fascination with the exotic and the quest for artistic beauty converge Lang a master of narrative and rhythm explores themes of love loss and the passage of time all while paying homage to the delicate artistry of blue and white china The poems in this collection are not merely reflections of their time they are windows into the soul of an era that cherished both the familiar and the foreign Lang's verses traverse the landscapes of myth and reality drawing readers into a world where the past and present coexist in harmony His ability to evoke emotion through vivid imagery and melodic language invites readers to embark on a journey through the realms of fantasy and history By delving into the intricate patterns of human experience Lang's work offers readers a chance to reflect on the universal themes that continue to resonate today Through his exploration of cultural intersections and artistic evolution we gain a deeper understanding of the enduring power of poetry to transcend boundaries and connect us to the world around us **XXII Ballades in Blue China** Andrew Lang,1880 *Ballads in blue china, by a. lang* A.
