Ballerina And German Baron:

Ballerina and German Baron C. C., Vantage Press, Incorporated, 1996-07-01 *Lionel Barrymore* Kathleen Spaltro, 2024-08-13

Once called the most gifted character actor of our time by Broadway theater producer Arthur Hopkins Lionel Barrymore 1878 1954 was part of the illustrious Barrymore acting dynasty Although he garnered success on stage and screen and was a talented actor writer director visual artist and composer he never quite escaped the shadow of his family members including his brother John famous for his leading roles Barrymore won the Academy Award for Best Actor in *A Free Soul* 1931 and was nominated for Best Director for *Madame X* 1930 However he is best known for his role as Mr Potter in *It's a Wonderful Life* 1946 and as the voice of Ebenezer Scrooge in radio broadcasts of *A Christmas Carol* from 1934 to 1953 He spent the last two decades of his career playing versions of his signature character the curmudgeonly but lovable gentleman in a variety of films from *You Can't Take It With You* 1938 to *Key Largo* 1948 Barrymore worked alongside some of Hollywood's most recognizable names including Humphrey Bogart James Stewart Frank Capra Lauren Bacall Clark Gable and Ava Gardner and his legacy is enshrined at the Hollywood Walk of Fame where he has two stars one for radio and one for film In *Lionel Barrymore Character and Endurance in Hollywood's Golden Age* Kathleen Spaltro examines Barrymore as an individual rather than just a supporting cast member of the famous dynasty This comprehensive study divides Barrymore's life into three compelling acts Act One follows Barrymore's early days his failed endeavor as a visual artist his performances in the family vaudeville acts his first silent motion pictures and his greatest successes and failures on the stage Act Two details Barrymore's establishment as a fixture at MGM his foray into directing his success as the first actor to thrive in the talkies and his estimable Oscar winning performance Finally Act Three expounds on Barrymore's curation of his trademark character the endearing grouch his exploits in radio and his fateful final years Spaltro also unearths Barrymore's personal challenges recounts his difficulties with and sometimes estrangement from members of his family and delves into the devastating losses Barrymore suffered his divorce the deaths of his two daughters and later the death of his second wife and the accidents that eventually led to permanent disabilities requiring the use of a wheelchair Lionel Barrymore is a detailed multifaceted portrait of a brilliant character actor

Liberty Epic of Shadows L. A. Espriux, 2019 *Liberty Epic of Shadows* interweaves shades of the past present and future into a dynamic tapestry designed on global scale that spans centuries through a trail of human history beginning with the discovery of a New World What is the connection between the rebirth of the Holy Roman Empire during the dynastic reign of the Spanish Hapsburgs and a small cotton mill town in twentieth century post industrial south What is the lost meaning of Xeantee Aconee left behind by an obscure North American tribe of Indians and a present day monster named Westbaily Are both fiendish embodiments of imminent judgment or messenger angels of deliverance To the locals of 1960 Viet Nam era America Liberty Swamp is a place laced with unknown dangers manifesting imagined terror of life's inevitability a place avoided through slumbered existence But this epic is not just about

fallen dynasties repetitious wars or chimeras of shadow It weaves the mortal fabric of human experience into a lattice of concentric patterns that never really change It unveils the defined origin of evil in human desire by comparing gifts from Mammon forged of weaker elements to the essence of things made from eternal substance provided by the architect of creation in the fullness of every season At the twilight of his days a man named David reluctantly made a king of Israel stands humble before the twelve tribes This after the siege of Jerusalem declared Jerusalem a city dedicated to the God of Covenant he bows his head and blesses the Lord of heaven and earth Both riches and honor come of thee and thou reigns over all and in your hand is power and might and in your hand it is to make great and to give strength unto all Now therefore our God we thank thee and praise thy glorious name But who am I and what is my people that we should be able to offer so willingly after this sort For all things come from you and of your own have we given thee For we are strangers before thee and sojourners as were all our fathers our days on the earth are as a shadow and there is none abiding 1 chronicles chapter 29 Verses 12 15

Baron's Ballet Finale Baron,1958 **Opera Ballerina** Marie-Jeanne,1948 A career novel based on the author's experiences as a ballet dancer designed to provide vocational information Kierkegaard and His Danish Contemporaries: Literature, drama, and aesthetics Jon Bartley Stewart,2009 The present volume features articles that employ source work research in order to explore the individual Danish sources of Kierkegaard's thought The volume is divided into three tomes in order to cover the different fields of influence Tome III is dedicated to the diverse Danish sources that fall under the rubrics Literature Drama and Aesthetics The Golden Age is known as the period when Danish prose first established itself in genres such as the novel moreover it was also an age when some of Denmark's most celebrated national poets flourished Accordingly this tome contains articles on Kierkegaard's use of the great Danish poets and prose writers whose works are frequently quoted and alluded to throughout his writings Kierkegaard regularly attended dramatic performances at Copenhagen's Royal Theater which was one of Europe's leading playhouses at the time In this tome his appreciation for the art of Denmark's best known actors and actresses is traced Finally this tome features articles on the leading literary critics and aesthetic theorists of the Golden Age who served as foils for Kierkegaard's own ideas **A Biographical Dictionary of Actors, Actresses, Musicians, Dancers, Managers and Other Stage Personnel in London, 1660-1800: Cabanel to Cory** Philip H. Highfill, Kalman A. Burnim, Edward A. Langhans,1975 Volumes three and four of this monumental work include full entries for all such illustrious names as those of the Cibbers Colley Theophilus and Susanna Maria Kitty Clive and Charlotte Charke George Colman the Elder and the Younger William Davenant and De Loutherboug But here also are full entries for dozens of important secondary figures and of minor ones whose stories have never been told as well as a census and at least a few recoverable facts for even the most inconsiderable performers and servants of the theatres As in the previous volumes in this distinguished series the accompanying illustrations include at least one picture of each subject for whom a portrait exists Volume 7, Tome III: Kierkegaard and His Danish Contemporaries - Literature, Drama and

Aesthetics Jon Stewart, 2016-12-05 The period of Kierkegaard's life corresponds to Denmark's Golden Age which is conventionally used to refer to the period covering roughly the first half of the nineteenth century when Denmark's most important writers, philosophers, theologians, poets, actors, and artists flourished. Kierkegaard was often in dialogue with his fellow Danes on key issues of the day. His authorship would be unthinkable without reference to the Danish State Church, the Royal Theater, the University of Copenhagen, or the various Danish newspapers and journals such as *The Corsair*, *Freløst*, and *Kjøbenhavns flyvende Post*, which played an undeniable role in shaping his development. The present volume features articles that employ source work research in order to explore the individual Danish sources of Kierkegaard's thought. The volume is divided into three tomes in order to cover the different fields of influence. Tome III is dedicated to the diverse Danish sources that fall under the rubrics Literature, Drama, and Aesthetics. The Golden Age is known as the period when Danish prose first established itself in genres such as the novel; moreover, it was also an age when some of Denmark's most celebrated national poets flourished. Accordingly, this tome contains articles on Kierkegaard's use of the great Danish poets and prose writers whose works are frequently quoted and alluded to throughout his writings. Kierkegaard regularly attended dramatic performances at Copenhagen's Royal Theater, which was one of Europe's leading playhouses at the time. In this tome, his appreciation for the art of Denmark's best-known actors and actresses is traced. Finally, this tome features articles on the leading literary critics and aesthetic theorists of the Golden Age who served as foils for Kierkegaard's own ideas. **A**

Henry Wadsworth Longfellow Companion Robert L. Gale, 2003-12-30 Best remembered today as the author of *The Song of Hiawatha*, Longfellow continues to be one of the most popular poets in American literary history. This book is a guide to his life and writings. A brief introductory essay overviews Longfellow's life and accomplishments. A chronology then summarizes the chief events in his career. Hundreds of alphabetically arranged entries follow, discussing individual poems, his other writings, his family members, and professional associates, and topics related to his life and literary achievements. Entries list works for further reading, and the volume closes with a selected general bibliography. Longfellow has also enjoyed fame worldwide in England; his poems outsold those of Browning and Tennyson. In addition to being a gifted poet, Longfellow had a brilliant career as a college professor. He wrote numerous critical works and translations and was also a leading American Dante scholar. He frequently wrote letters, and his admirers often sought his advice on personal and professional matters.

The Microscopic Photographs of J.B. Dancer Brian Bracegirdle, James B. McCormick, 1993 **Pure-bred Dogs, American Kennel Gazette**, 1968-12 **Arts & Decoration**, 1930 **The Spirit of the House** Mrs. Anna Vernon Dorsey Williams, 1924 *That Darcy, that Dancer, that Gentleman* James Patrick Donleavy, 1990 Een berooide aristocratische man die op zijn voorvaderlijke bouwvallige landgoed in Ierland verblijft droomt nog steeds van Leila **The Nation and Athenaeum**, 1926 **Art Deco New York** David Lowe, 2004 Art Deco New York takes readers on a historically rich and visually spectacular journey through New York in the early decades of the 20th century when the style known as art deco

with its emphasis on machine tooled elegance and sleekness of line replaced the voluptuous beaux arts style that preceded it. It was an era when floating art deco palaces like the Normandie and the Queen Mary and elegant speedy trains like Henry Dreyfuss redesigned Twentieth Century Limited transformed the way people perceived travel. There are dazzling photographs many never before published of such art deco icons as Schultze and Weaver's soaring Waldorf Astoria, Joseph Urban's Zeigfeld Theater and Central Park Casino and the sky piercing spire of William Van Alen's Chrysler Building. This book takes a wise witty and intimate look at a style that came to New York via Paris in the 1920s and almost overnight became a quintessential symbol of modernity. The public's already strong interest in art deco will be enhanced by two major art deco exhibits to be mounted 2004 and 2005. Author is a leading authority on art deco. A perfect book for lovers of New York and architecture.

The Nation and Athenæum, 1926 The Cosmopolitan, 1896 *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1930 **Sir Guy's Ward. A Novel** Gerald Glyn, 1876
