Ballet The Emergence Of An American Art:

Ballet in America George Amberg,1954 Ballet George Amberg,1949 **Ballet: the Emergence of an American Art** George Amberg,1951 Ballet in America the Emergence of an American Art George Amberg,2015-09-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Ballet in America** **the Emergence of an American Art** George Amberg,2018-02-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Ballet** George Amberg,1951 Ballet George Amberg,1951 Ballet in America George Amberg,1955 **Ballet in America - The Emergence of an American Art** George Amberg,2013-05-31 A fascinating history of the emergence of American ballet as world recognized force just after World War Two telling the story of the choreographers and dancers who came of age just as America became the only western country free from conflict and thus t

Journal of the Archives of American Art ,1983 **Todd Bolender, Janet Reed, and the Making of American Ballet** Martha Ullman West,2021-05-18 Martha Ullman West illustrates how American ballet developed over the course of the twentieth century from an aesthetic originating in the courts of Europe into a stylistically diverse expression of a democratic culture West places at center stage two artists who were instrumental to this story Todd Bolender and Janet Reed Lifelong friends Bolender 1914 2006 and Reed 1916 2000 were part of a generation of dancers who navigated the Great Depression

World War II and the vibrant cultural scene of postwar New York City They danced in the works of choreographers Lew and Willam Christensen Eugene Loring Agnes de Mille Catherine Littlefield Ruthanna Boris and others who West argues were just as responsible for the direction of American ballet as the legendary George Balanchine and Jerome Robbins The stories of Bolender Reed and their contemporaries also demonstrate that the flowering of American ballet was not simply a New York phenomenon West includes little known details about how Bolender and Reed laid the foundations for Seattle s Pacific Northwest Ballet in the 1970s and how Bolender transformed the Kansas City Ballet into a highly respected professional company soon after Passionate in their desire to dance and create dances Bolender and Reed committed their lives to passing along their hard won knowledge training and work This book celebrates two unsung trailblazers who were pivotal to the establishment of ballet in America from one coast to the other [The National Union Catalog, Pre-1956 Imprints](#) Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1969

Reader's Guide to Music Murray Steib, 2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology

Enchantments Marci Kwon, 2021-04-06 The first major work to examine Joseph Cornell s relationship to American modernism Joseph Cornell 1903 1972 is best known for his exquisite and alluring box constructions in which he transformed found objects such as celestial charts glass ice cubes and feathers into enchanted worlds that blur the boundaries between fantasy and the commonplace Situating Cornell within the broader artistic cultural and political debates of midcentury America this innovative and interdisciplinary account reveals enchantment s relevance to the history of American modernism In this beautifully illustrated book Marci Kwon explores Cornell s attempts to convey enchantment an ephemeral experience that exceeds rational explanation in material form Examining his box constructions graphic design projects and cinematic experiments she shows how he turned to formal strategies drawn from movements like Transcendentalism and Romanticism to figure the immaterial Kwon provides new perspectives on Cornell s artistic and graphic design career bringing vividly to life a wide circle of acquaintances that included artists poets writers and filmmakers such as Mina Loy Lincoln Kirstein Frank O Hara and Stan Brakhage Cornell s participation in these varied milieus elucidates enchantment s centrality to midcentury conversations about art s potential for power and moral authority and reveals how enchantment and modernity came to be understood as opposing forces Leading contemporary artists such as Betye Saar and Carolee Schneemann turned to Cornell s enchantment as a resource for their own anti racist feminist projects Spanning four decades of the artist s career Enchantments sheds

critical light on Cornell's engagement with many key episodes in American modernism from Abstract Expressionism 1930s folk art and the emergence of New York School poetry and experimental cinema to the transatlantic migration of Symbolism Surrealism and ballet

Art and Archaeology, 1922 *Opera, Concert and Symphony*, 1948 *Dancing the Fairy Tale*

Laura Katz Rizzo, 2015-02-15 In *Dancing the Fairy Tale* Laura Katz Rizzo claims that *The Sleeping Beauty* is both a metaphor for ballet itself and a powerful case study for examining ballet and its production and performance Using Marius Petipa and Pyotr Tchaikovsky's classical dance specifically as it was staged in Philadelphia over nearly 70 years Katz Rizzo looks at the gendered nature of women staging coaching and reanimating this magnificent ballet and well as the ongoing push pull between tradition and innovation within the art form Using extensive archival research dance analysis and American feminist theory *Dancing the Fairy Tale* places women at the center of a historical narrative to reveal how the production and performance of *The Sleeping Beauty* in the years between 1937 and 2002 made significant contributions to the development and establishment of an American classical ballet Katz Rizzo highlights not only what women have done not only behind the scenes as administrators producers or directors of ballet companies and schools but also as active interpreters embodying the ballet's title role In the process Katz Rizzo also emphasizes the importance of regional sites outside of locations traditionally understood as central to the development of ballet in the United States

The Theatre Art of Boris Aronson
