**Dear John, I Love Jane** Candace Walsh,Laura André,2010-10-19 The new buzzword in female sexuality is sexual fluidity the idea that for many women sexual identity can shift over time often in the direction of same sex relationships Examples abound in popular culture from actress Cynthia Nixon who left her male partner of 15 years to be with a woman to writer and comedienne Carol Leifer who divorced her husband for the same reason In a culture increasingly open to accepting this fluidity Dear John I Love Jane is a timely fiercely candid exploration of female sexuality and personal choice The book is comprised of essays written by a broad spectrum of women including a number of well known writers and personalities Their stories are sometimes funny sometimes painful but always achingly honest accounts of leaving a man for a woman and the consequences of making such a choice Arousing inspiring bawdy bold and heartfelt Dear John I Love Jane is an engrossing reflection of a new era of female sexuality
