

AMADEA MUSIC PRODUCTIONS

A cinematic scene featuring three medieval warriors standing on a rocky outcrop. The central figure is a man with long, wavy brown hair and a beard, wearing a dark green, heavy, fur-lined cloak and leather gloves. He holds a sword upright with both hands. To his left, another man with a mustache and a brown cloak looks back over his shoulder. To his right, a third man with a full beard and a dark cloak holds a wooden staff topped with a glowing purple orb. The background shows a vast, hazy landscape under a dramatic, cloudy sky with warm, golden light, suggesting a sunset or sunrise.

Banished To Earth:

Banished to Earth Curtis Ray Jones,2004-06 For Chase Gillette there was no such thing as empty darkness When the lights went out they came back out as glowing disembodied eyes What they were where they came from and why they seemed so intent on tormenting him he did not know Had it not been for the occasional appearances of a pretty little yellow girl he came to call Prissy he would have surely gone mad Yet she like the eyes was also an impossible phantom of unknown origin However her eyes did not glare like theirs They instead were filled with compassion hope and promise He was just not sure what they were promising but he knew someday he would find out *Earth, Man, & Devolution* R. Pilotte,2009-01-28 A Girl on a couch appeared in an electro magnetically generated cloud and it was deduced to be a vision from the past UFO s are seen to appear and disappear out of nowhere and they are presumed to be entering and leaving another dimension The ancients speak of the Gods descending to earth and they re deduced to be spacemen from another galaxy seeding life on earth and helping evolution along Archaeologists see the pyramids and decide they were built by 200 000 slaves to exacting standards we can t match today just to bury a king People read about world flood legends look at Mount Everest say Impossible and decide the legends speak of local floods Anthropologists see writing start about 5000 years ago and deduce this is evidence of the greatest advancement in the history of mankind These deductions are all incorrect Find out what these and other curious tidbits really mean and how they ll change your world view forever Ever wondered where the Noah floodwater went Find out where it came from and finally where it went Radioactive Carbon 14 in our atmosphere isn t at equilibrium it forms at a faster rate than it breaks down Why And why is that crucial in figuring out the age of the earth Ever wondered what caused different races How about Dinosaurs Find out what killed them recently and be prepared for a shock because they aren t all dead One of the plagues of Egypt was the river of blood but this happened in more places than just Egypt Find out the cause This book solves the Bermuda Triangle disappearances invisibility the Tower of Babel frozen woolly mammoths erratics massive fossil sites all around the globe destruction of Mu and Atlantis We also figure out the origin of reincarnation the underworld the continents the seven heavens pole shifts the Sumerians and not just the origin of the gods we find out who they are How can one book solve so much Read *Earth Man Maps of the Ancient Sea Kings Immanuel Velikovsky Earth in Upheaval Wallace Budge Book of the dead The Hollow Earth by Raymond Bernard* and many more You can also see some of my letters published in *Atlantis Rising* magazine by doing an internet search of my title or however it s done I ve had 6 letters published to date **Earth Alien** Mark Caldwell Walker,2002-07 *The Passion and The Glory The Greatest Love Story Ever Lived* There have been numerous accounts of the life of Jesus but throughout the whole century there has never been a single one written from the point of view of a woman *The Passion and the Glory The Greatest Love Story Ever Lived* is the first Gospel written from the point of view of a woman furthermore it is the only one written from the perspective of the woman who loved Jesus passionately as a God and as a Man Mary of Magdala It is the Gospel of Mary of

Magdala A Gospel for the new Century The Passion and the Glory The Greatest Love Story Ever Lived offers to the reader the most complete account of the life of Jesus the Christ that has ever been written in the history of Christianity That is it includes in it witnesses accounts of His birth miracles and stories of His Infancy the occult or lost years His mission passion and death and the rarely found mystery teachings of the Christ Jesus to His apostles after His Resurrection these although known to Theologians have only been disclosed in some rare and hard to find Apocryphal Gospels The Gospel of Mary Magdala is illuminating human intriguing and interesting because it gives us dimensions unknown to most of us of the humanity and divinity of Jesus the Christ dimensions that only the woman who loved Him experienced and can help us to know Him better At the same time it also gives to us dimensions of our humanity and our unconscious quest to recuperate our forgotten divine status Mary of Magdala is an integral part of us the fallen humanity Her fall and her redemption are both irrevocably tied to our fallen human nature and to our hopes for redemption when we read her story we are able to understand our human selves our relationship with Jesus the Christ and our divine potentials subjectively It is as if her love affair with the Christ is our own love affair with His Spirit and her rise from sin into sainthood the hope for our own future divinization As we penetrate it The Passion and The Glory The Greatest Story Ever Lived becomes our own story We learn more about Jesus His Love for us and are exposed to His Mystery teachings a priceless treasure of wisdom which is not only liberating but helps to fuel in us the innate desire to discover and recuperate our true divine nature The Gospel of Mary Magdalene is indeed a revolutionary Gospel of Love for the new minds and spirits of the Twenty first Century The Passion and The Glory The Greatest Love Story Ever Lived is a Gospel that was rejected in the past mainly because it came from a woman Things have changed what makes it most valuable in the new century is precisely that it comes from a woman A woman who was not only one of Jesus closest disciples and His most intimate companion but the one He chose to make an apostle to His apostles by making her the sole harbinger of His resurrection In an age when women don t have to bend anymore under the dark cloud of male chauvinism the Gospel of Mary Magdalene the woman who loved Jesus is more than welcome The fact that her vision of Jesus is that of a woman makes her Gospel a great love story passionate deeper and more human very different indeed from that of the male apostles Mary of Magdala lived with Jesus Christ by and through His Grace The Greatest Story of Love Ever Lived Thus it is her Gospel
